Celebrating it's 1st year as a sponsor of the CCAPA Conference in Orange County.

The Division of Transportation Planning plays a critical role for the Department. The division articulates a long-term vision while supporting transportation service, project selection, project delivery, and system operations. On a daily basis, staff collects and presents data, analyzes alternatives, drafts plans to guide and protect State transportation investments, and makes presentations to internal manager and decision-makers. The Division of Transportation Planning is a leader in the transportation planning field, working in partnership with others to ensure an open and equitable process while acting as a bridge between the Department's external partners and internal operations.

County of Santa Clara

PLANNING MANAGER

The salary range for this position is open
with a current established range of
\$115,583 - \$148,285
contingent upon the qualifications
and experience of the selected candidate.

The County provides a generous
Executive Management benefit package.

The County of Santa Clara is seeking a proven leader who supports comprehensive, collaborative planning efforts to improve the quality of life for our citizens. This is an exciting and challenging career opportunity for a highly qualified individual who is capable of providing effective management and leadership to a diverse staff. The Planning Office is located within the Department of Planning and Development and reports directly to the Director, Development and Planning. As an integral part of the Department's executive team, this position has a comprehensive range of responsibilities. Responsibilities include planning, development review, zoning administration, and special projects and studies.

Qualifications:

Education and experience equivalent to a BA in Planning, Architecture, Landscape Architecture, Urban Studies, Public or Business Administration or a closely related field and three years recent managerial level experience in governmental planning. A Master's degree in one of the above areas is highly desirable and would substitute for 1-year experience.

It is anticipated that the filing period will be open from August 11, 2006 until filled. All qualified applications will be subject to a preliminary competitive rating to identify those candidates to be invited to the oral interview process. It is critical for applicants to submit an application, resume, and responses to the attached supplemental questionnaire. If you have any questions regarding this position, contact Executive Services at (408) 299-5894.

For a detailed job description, to apply online or to download an application,
please go visit our website. EOE
