

VOLUNTEERS NEEDED

APA CALIFORNIA
2014 CONFERENCE

Hosted by the APA California Orange Section

Conference planning is well underway and we are seeking volunteers to help keep the conference running smoothly.

BE PART OF THE FUN AND VOLUNTEER!

**Registration • Mobile Workshops • Session Monitoring
Material Distribution • And Much More!**

Many professional Planners and some retired Directors have already committed to volunteering at the conference, but more volunteers are needed.

The conference is a great opportunity for students to talk with professionals in the field while volunteering and getting to know a little more about the Planning field.

Volunteers are the core of every major event as they keep things running smoothly - join us!

Please contact Crystal Landavazo at clandavazo@sealbeachca.gov with your name, contact information, and volunteer availability!
