## **MAY 2019 AICP EXAM REDUCED FEE SCHOLARSHIP APPLICATION**

The cost to applicants seeking to take the May 2019 AICP Exam for the first time remains at \$495, and for previously-approved applicants the cost is \$425. In order to assist exam-takers from the California Chapter with the cost of the AICP Exam, the Chapter will award **AICP Exam Reduced Fee Scholarships** in the amount of \$350 each to offset applicants' costs. Thus, those awarded the Chapter scholarships will only pay \$145 (application fee and balance of exam fee for first-time AICP Exam applicants), or \$75 (exam fee only for previously-approved AICP Exam applicants). To be eligible for an AICP Exam Reduced Fee Scholarship for the May 2019 AICP Exam, please complete this application and email it to **Sharon Grewal, AICP**, Vice President of Professional Development at [Sharon.Grewal@acgov.org](mailto:Sharon.Grewal@acgov.org) **no later than 5 PM on Friday, February 22, 2019**. Late applications cannot be accepted.

Some of the individual Sections within the Chapter may also be awarding Section-sponsored AICP Exam Reduced Fee Scholarships in varying dollar amounts. Applicants not selected to receive a Chapter AICP Exam Reduced Fee Scholarship may be considered for a Section Scholarship from their primary Section using this application process - if that Section is offering scholarships for the May 2019 exam.

A small review committee, working with the Vice President of Professional Development, will review all applications received by the submittal deadline. This committee will make a final determination of the qualified scholarship recipients. Selected scholarship recipients will be notified by the middle of March 2019. APA National will reimburse your scholarship amount if you are awarded. **NOTE: The awarding of this scholarship does not guarantee that a recipient will be approved to take the AICP Exam.** The exam application will be evaluated by APA National staff like any other. All application information provided here will remain confidential and not be shared beyond the review committee. Sections will be notified if an applicant is awarded a Section scholarship however.

Since these scholarships are very limited in number, and to make this opportunity available to those APA California members with the greatest financial need, a scholarship will not be awarded to anyone who has been previously awarded either a Chapter or Section scholarship. Chapter scholarships awarded for the May 2019 AICP Exam will not be transferable to a future AICP Exam unless specific permission is granted by APA National. If you withdraw your application from the process or if you are not accepted to take the exam in May 2019, please notify us so we can more fairly address the pool of applicants who are proceeding in this exam period.
