Self Assessment and Discussion Activity
Individual Write (10 minutes)

Early Experiences: Think back to the earliest time you realized you had a racial identity.

1. What did that experience teach you to think about your own race?

2. What did that experience teach you to feel about your own race?

3. What information or knowledge would have helped you to understand race in a more complete way?

Present Day: Think about where you are now?

1. In what ways has your understanding of your racial identity and race more generally shifted since your early experiences?

2. What new knowledge have you integrated into your understanding of race?

Table discussion:

1. What are the implications of those early experiences and where you are today?

2. How do you see these dynamics show up in your work?

3. How do you see these dynamics show up in your workplace?
Organizational Reflection
