Planning PALS Conference Buddies

First time to the APA California Conference? Looking to network with new attendees? Going alone can be hard, especially when you're one of hundreds of attendees at a large conference. We're offering a "buddy system" to pair you with a Planning PAL who has similar interests and would like to meet in Anaheim. For more information visit oc-apa.org.

Volunteer - Receive a \$100 Refund

We're looking for students and YEP conference volunteers to assist with a variety of activities, including staffing the registration table.

Complete the online form to submit your volunteer interest. All APA students and YEPs are eligible; however, you must preregister prior to volunteering. **Students and YEP volunteers will receive a \$100 refund if they preregister and pay the student or YEP rate, and volunteer for four hours using the form to select what day is best.** Once the four-hour shift is complete, volunteers will receive a \$100 refund that same day at the registration table.
