"Research programs in California and other places to see what works Find about self-help programs that exist in Salinas or Monterey County. Explore how other cities are rehabing homes. "Policy H-1.7: Reduce municipal constraints to the production, maintenance, and development of decent, safe housing. "Programas de investigación en California y otros lugares para ver qué funciona. Encontrar programas de autoayuda que existen en Salinas o en el Condado de Monterey. "Determina por qué más personas en el Alisal no están construyendo unidades accesorias. Desarrollar una fuente de financiación para ayudar a los propietarios a financiar estas unidades. Llevar a cabo programas educativos sobre unidades accesorias. La idea de educar a los propietarios sobre lo que implica la construcción de una Unidad de Vivienda Accesorias es una buena idea- talleres educativos. (21 de febrero de 2015 Reunión) Seguir el programa de ayuda mutua de CHISRA, donde las familias pueden construir sus propias viviendas."	"Descubrir por qué más personas no están construyendo estas unidades. Investigue otros programas que están facilitando la construcción de unidades accesorias. Ver y explorar cómo Santa Cruz está utilizando el programa de "My House My Home" para permitir que los adultos mayores construyan unidades accesorias en la Ciudad a través de la colaboración entre Habitat para la Humanidad, la Ciudad de Santa Cruz y los Servicios de Red para Personas Mayores."
