([Friedman D](#)) Transportation planning: regional transportation plans: Solutions for Congested Corridors Program: reduction of greenhouse gas emissions.

Current Text: Amended: 3/16/2023 [html](#) [pdf](#)

Last Amend: 3/16/2023

Status: 7/14/2023-Failed Deadline pursuant to Rule 61(a)(10). (Last location was TRANS. on 6/14/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires that each regional transportation plan also include a sustainable communities strategy prepared by each metropolitan planning organization in order to, among other things, achieve certain targets established by the State Air Resources Board for the reduction of greenhouse gas emissions from automobiles and light trucks in the region for 2020 and 2035, respectively. This bill would require the state board, after January 1, 2024, and not later than September 30, 2026, to establish additional targets for 2035 and 2045, respectively, as specified.

([Friedman D](#)) Transportation: planning: project selection processes.

Current Text: Amended: 9/1/2023 [html](#) [pdf](#)

Last Amend: 9/1/2023

Status: 9/11/2023-Ordered to inactive file at the request of Senator Blakespear.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Transportation Agency is under the supervision of the Secretary of Transportation, who has the power of general supervision over each department within the agency. The secretary, among other duties, is charged with developing and reporting to the Governor on legislative, budgetary, and administrative programs to accomplish coordinated planning and policy formulation in matters of public interest, including transportation projects. On and after January 1, 2025, and to the extent applicable, feasible, and cost effective, this bill would require the agency, the Department of Transportation, and the California Transportation Commission to incorporate specified goals into program funding guidelines and processes.

([Muratsuchi D](#)) Greenhouse gases: market-based compliance mechanism.

Current Text: Amended: 4/17/2023 [html](#) [pdf](#)

Last Amend: 4/17/2023

Status: 6/2/2023-Failed Deadline pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 6/1/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	2 year	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Global Warming Solutions Act of 2006 authorizes the State Air Resources Board to include the use of market-based compliance mechanisms in regulating greenhouse gas emissions. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every 5 years. This bill would require the state board to initiate a regulatory process to evaluate potential updates to the market-based compliance mechanism, and would require regulatory changes to take effect no later than January 1, 2025. The bill would require the evaluation to focus on specified items, including whether the supply of emission allowances and carbon offsets are consistent with a linear trajectory toward the statewide greenhouse gas emissions reduction goal established in the state board's most recent scoping plan, rules for banking allowances to use for future compliance, and recommendations made by the Independent Emissions Market Advisory Committee and the state board's environmental justice advisory committee. The bill would require the state board, beginning January 1, 2028, and subsequently on a triennial basis, as specified, and in consultation with the Independent Emissions Market Advisory Committee and the environmental justice advisory committee, to conduct an evaluation of the market-based compliance mechanism, as provided.

([Jackson D](#)) Milton Marks "Little Hoover" Commission on California State Government

Organization and Economy.**Current Text:** Amended: 3/23/2023 [html](#) [pdf](#)**Last Amend:** 3/23/2023**Status:** 5/19/2023-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 3/29/2023)(May be acted upon Jan 2024)

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law establishes the Milton Marks "Little Hoover" Commission on California State Government Organization and Economy (the commission) for the purpose of securing assistance for the Governor and itself in promoting economy, efficiency, and improved service in the transaction of the public business, as specified, and in making the operation of all state departments, agencies, and instrumentalities, and all expenditures of public funds, more directly responsive to the wishes of the people as expressed by their elected representatives through various means. Existing law declares that the availability of housing is of vital statewide importance. Current law declares that the provision of housing affordable to low- and moderate-income households requires the cooperation of all levels of government. Current law declares that housing prices in California have risen dramatically in all parts of the state in the past decade, while the wealth gap, especially the racial wealth gap, continues to be a growing problem in California. This bill would require the commission to study the causes and effects of the rising cost of living in California and develop solutions toward making California a more affordable place to live, as specified. The bill would require the commission to meet quarterly, as specified. The bill would require the commission to complete 2 reports describing the commission's findings and recommendations, as specified. The bill would repeal these provisions as of January 1, 2027.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law regulates the terms and conditions of residential tenancies, and prohibits a landlord from demanding or receiving security for a rental agreement for residential property, however denominated, in an amount or value in excess of an amount equal to 2 months' rent, in the case of unfurnished residential property, and an amount equal to 3 months' rent, in the case of furnished residential property, in addition to any rent for the first month paid on or before initial occupancy. This bill would, beginning July 1, 2024, instead prohibit a landlord from demanding or receiving security for a rental agreement for residential property in an amount or value in excess of an amount equal to one month's rent, regardless of whether the residential property is unfurnished or furnished, in addition to any rent for the first month paid on or before initial occupancy.

AB 42**(Ramos D) Tiny homes: temporary sleeping cabins: fire sprinkler requirements.****Current Text:** Enrollment: 9/13/2023 [html](#) [pdf](#)**Last Amend:** 8/21/2023**Status:** 9/13/2023-Enrolled and presented to the Governor at 3 p.m.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Planning and Zoning Law, among other things, provides for the creation of accessory dwelling units by local ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance with specified standards and conditions. Existing law prohibits a local agency from requiring an accessory dwelling unit to provide fire sprinklers, if they are not required for the primary residence. This bill, until January 1, 2027, would prohibit a local agency from imposing or enforcing any requirement to provide fire sprinklers for a temporary sleeping cabin that is on a site with 50 or fewer temporary sleeping cabins. The bill would define "temporary sleeping cabin" to mean a nonpermanent structure that is intended to provide temporary housing to people experiencing homelessness or at risk of homelessness, has a total floor area of less than 250 feet, and does not include plumbing. The bill would require a temporary sleeping cabin that does not include fire sprinklers to comply with alternative fire life and safety standards that include providing, among other things, a smoke alarm and carbon monoxide alarm in the unit, a fire extinguisher in the unit, and ingress and egress that facilitates rapid exit of the temporary sleeping cabin.

[AB 59](#)**(Gallagher R) Taxation: renter's credit.****Current Text:** Amended: 4/5/2023 [html](#) [pdf](#)**Last Amend:** 4/5/2023**Status:** 5/18/2023-Joint Rule 62(a), file notice suspended. In committee: Held under submission.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Personal Income Tax Law authorizes various credits against the taxes imposed by that law, including a credit for qualified renters in the amount of \$120 for spouses filing joint returns, heads of household, and surviving spouses if adjusted gross income is \$50,000, as adjusted, or less, and in the amount of \$60 for other individuals if adjusted gross income is \$25,000, as adjusted, or less. Current law requires the Franchise Tax Board to annually adjust for inflation these adjusted gross income amounts. For 2021, the adjusted gross income limit is \$87,066 and \$43,533, respectively. Current law establishes the continuously appropriated Tax Relief and Refund Account in the General Fund and provides that payments required to be made to taxpayers or other persons from the

Personal Income Tax Fund are to be paid from that account. This bill, for taxable years beginning on or after January 1 of the taxable year that includes the date on which funding is first authorized for purposes of this bill and for the succeeding 4 taxable years, and only when specified in a bill relating to the Budget Act, would increase the credit amount to \$2,000 for spouses filing joint returns, heads of households, and surviving spouses and \$1,000 for other individuals. In the event the increased credit amount is not specified in a bill relating to the Budget Act, the existing credit amounts, as described above, would be the credit amounts for that taxable year.

1st House				2nd House				Conc.			

Summary: Current law establishes within the Natural Resources Agency the State Water Resources Control Board and the California regional water quality control boards. Current law requires the work of the state board to be divided into at least 2 divisions, known as the Division of Water Rights and the Division of Water Quality. This bill would establish a statewide goal to increase above- and below-ground water storage capacity by a total of 3,700,000 acre-feet by the year 2030 and a total of 4,000,000 acre-feet by the year 2040. The bill would require the Department of Water Resources, in consultation with the state board, to take reasonable actions to promote or assist efforts to achieve the statewide goal, as provided. The bill would require the department, beginning July 1, 2027, and on or before July 1 every 2 years thereafter until January 1, 2043, in consultation with the state board, to prepare and submit a report to the Legislature on the progress made to achieve the statewide goal.

(Waldron R) Transportation: traffic signal synchronization: roadway improvement projects.

Current Text: Introduced: 12/9/2022 [html](#) [pdf](#)

Status: 4/28/2023-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 2/2/2023) (May be acted upon Jan 2024)

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The State Air Resources Board is required to adopt a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030, and to adopt rules and regulations in an open public process to achieve the maximum, technologically feasible, and cost-effective greenhouse gas emissions reductions. The act authorizes the state board to include the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board from the auction or sale of allowances as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation. Current law requires the Department of Finance, in consultation with the state board and any other relevant state agency, to develop, as specified, a 3-year investment plan for the moneys deposited in the Greenhouse Gas Reduction Fund. Current law authorizes moneys in the fund to be allocated, as specified, for an investment in a traffic signal synchronization component that is part of a sustainable infrastructure project if the component is designed and implemented to achieve cost-effective reductions in greenhouse gas emissions and includes specific emissions reduction targets and metrics to evaluate the project's effect. This bill would additionally authorize moneys in the fund to be allocated for an investment in a traffic signal synchronization component that is part of a roadway improvement project requiring multiple signals, including, but not limited to, multimodal redevelopment projects, rail trail projects, urban renewal projects, or a project near transit facilities, if the component is designed and implemented to achieve cost-effective reductions in greenhouse gas emissions and includes specific emissions reduction targets and metrics to evaluate the project's effect.

(Ward D) Property tax: welfare exemption: affordable housing.

Current Text: Enrollment: 9/13/2023 [html](#) [pdf](#)

Last Amend: 7/13/2023

Status: 9/13/2023-Senate amendments concurred in. To Engrossing and Enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current property tax law, in accordance with the California Constitution, provides for a "welfare exemption" for property used exclusively for religious, hospital, scientific, or charitable purposes and that is owned or operated by certain types of nonprofit entities, if certain qualifying criteria are met. Current law defines "property used exclusively for religious, hospital, or charitable purposes" to include facilities in the course of construction on or after the first Monday of March 1954, as specified. Under current property tax law, property that meets the above-described requirements that is used exclusively for rental housing and related facilities is entitled to a partial exemption, equal

to that percentage of the value of the property that is equal to the percentage that the number of units serving lower income households represents of the total number of residential units, in any year that any of certain criteria apply, including that the acquisition, rehabilitation, development, or operation of the property, or any combination of these factors, is financed with tax-exempt mortgage revenue bonds or general obligation bonds, or is financed by local, state, or federal loans or grants and the rents of the occupants who are lower income households do not exceed those prescribed by deed restrictions or regulatory agreements pursuant to the terms of the financing or financial assistance. This bill would expand this partial exemption to property acquired, rehabilitated, developed, or operated, or any combination of these factors, with financing from qualified 501(c)(3) bonds, as defined.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Community Care Facilities Act provides for the licensing and regulation of community care facilities, including group home facilities, short-term residential therapeutic programs (STRTPs), and adult residential facilities (ARFs), by the State Department of Social Services. Under existing law, the department similarly regulates residential care facilities for the elderly. A violation of provisions relating to these facilities is a misdemeanor. Current law requires administrators of these facilities, with specified exemptions, to complete a department-approved certification program, uniformly referred to as administrator certification training programs. Under existing law, these programs require a specified minimum number of hours, depending on the facility type, of classroom instruction that provides training on a uniform core of knowledge in specified areas. Current law also requires administrator certificates to be renewed every 2 years, conditional upon the certificate holder submitting documentation of a specified number of hours of continuing education, based on the facility type. Current law permits up to one-half of the required continuing education hours to be satisfied through online courses, and the remainder to be completed in a classroom instructional setting, as prescribed. This bill would revise those provisions by deleting the classroom instruction requirement for initial certification and continuing education purposes, and instead would require instruction that is conducive to learning and allows participants to simultaneously interact with each other as well as with the instructor.

Summary: Current law provides for the funding of public transit, including under the Mills-Alquist-Deddeh Act, also known as the Transportation Development Act. This bill would require the Transportation Agency, on or before January 1, 2024, to establish and convene the Transit Transformation Task Force to include representatives from the Department of Transportation, various local agencies, academic institutions, nongovernmental organizations, and other stakeholders. The bill would require the task force to solicit and develop a structured, coordinated process for engagement of all parties to develop policy recommendations to grow transit ridership and improve the transit experience for all users of those services. The bill would require the agency, in consultation with the task force, to prepare and submit a report of findings and policy recommendations based on the task force's efforts to the appropriate policy and fiscal committees of the Legislature on or before October 31, 2025. The bill would require the report to include a detailed analysis of specified issues and recommendations on specified topics, including, among others, reforming the Transportation Development Act. The bill would repeal these provisions on January 1, 2028.

Summary: The California Age-Appropriate Design Code Act requires a business that provides an online service, product, or feature likely to be accessed by children to comply with specified requirements, including a requirement to configure all default privacy settings offered by the online service, product, or feature to the settings that offer a high level of privacy, unless the business can demonstrate a compelling reason that a different setting is in the best interests of children, and to provide privacy information, terms of service, policies, and community standards concisely, prominently, and using clear language suited to the age of children likely to access that online service, product, or feature. Current

law establishes the California Children's Data Protection Working Group to deliver a report to the Legislature on or before January 1, 2024, and every 2 years thereafter, regarding best practices for the implementation of these provisions, as specified. Current law requires the working group to select a chair and a vice chair from among its members and requires the working group to consist of 10 members, as specified. This bill would specify that the working group is within the Office of the Attorney General, and would require the report to, instead, be delivered on or before July 1, 2024, and every 2 years thereafter.

Status: 9/12/2023-Enrolled and presented to the Governor at 2 p.m.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Existing law, which is part of the Planning and Zoning Law, requires a local agency to compile a list of information needed to approve or deny a postentitlement phase permit, to post an example of a complete, approved application and an example of a complete set of postentitlement phase permits for at least 5 types of housing development projects in the jurisdiction, as specified, and to make those items available to all applicants for these permits no later than January 1, 2024. Existing law establishes time limits for completing reviews regarding whether an application for a postentitlement phase permit is complete and compliant and whether to approve or deny an application, as specified, and makes any failure to meet these time limits a violation of specified law. Existing law defines various terms for these purposes, including "local agency" to mean a city, county, or city and county, and "postentitlement phase permit," among other things, to exclude a permit required and issued by a special district. This bill would require a special district that receives an application from a housing development project for service from a special district or an application from a housing development project for a postentitlement phase permit, as specified, to provide written notice to the applicant of next steps in the review process, including, but not limited to, any additional information that may be required to begin to review the application for service or approval. The bill would require the special district to provide this notice within 30 business days of receipt of the application for a housing development with 25 units or fewer, and within 60 business days for a housing development with 26 units or more. The bill would define various terms for these purposes. By imposing additional duties on special districts, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: Current property tax law establishes a welfare exemption under which property is exempt from taxation if the property is owned and operated by a nonprofit corporation that is organized and operated for the purpose of building and rehabilitating single-family or multifamily residences for sale, as provided, at cost to low-income families. Current law requires the developer and the city or county to ensure that (1) a for-sale unit that qualified the developer for the award of the density bonus is initially occupied by a person or family of the required income, offered at an affordable housing cost, as defined, and includes an equity sharing agreement, as specified, or (2) a qualified nonprofit housing organization that is receiving the above-described welfare exemption purchases the unit pursuant to a specified recorded contract that includes an affordability restriction, an equity sharing agreement, as

specified, and a repurchase option that requires a subsequent purchaser that desires to sell or convey the property to first offer the nonprofit corporation the opportunity to repurchase the property. This bill would instead require the developer and the city or county to ensure that the for-sale unit that qualified the developer for the award of the density bonus is (1) initially sold to and occupied by a person or family of the required income, or (2) if the unit is not purchased by an income-qualified person or family within 180 days after the issuance of the certificate of occupancy, the qualified nonprofit housing organization that is receiving the above-described welfare exemption meets specified requirements, including having a determination letter from the Internal Revenue Service affirming its tax-exempt status, as specified, being based in California, and the primary activity of the nonprofit corporation being the development and preservation of affordable home ownership housing in California that incorporates within their contracts for initial purchase a repurchase option that requires a subsequent purchaser that desires to sell or convey the property to first offer the nonprofit corporation the opportunity to repurchase the property pursuant to an equity sharing agreement or a specified recorded contract that includes an affordability restriction.

1st House				2nd House							

Summary: Current law requires the Department of Forestry and Fire Protection to administer fire prevention programs and activities and requires the state board to adopt regulations implementing minimum fire safety standards. Current law requires that, except as specified, not less than the general prevailing rate of per diem wages, determined by the Director of Industrial Relations, be paid to workers employed on public works projects. Current law defines the term "public works" for purposes of requirements regarding the payment of prevailing wages to include construction, alteration, demolition, installation, or repair work done under contract and paid for using public funds, except as specified. This bill would, commencing July 1, 2026, require fuel reduction work, done under contract and paid for in whole or in part out of public funds, as specified, to meet several standards, including that all workers performing work within an apprenticeable occupation in the building and construction trades be paid at least the general prevailing rate of per diem wages. The bill would authorize the Labor Commissioner to enforce the requirement to pay prevailing wages. The bill would exempt from these requirements, among other things, contracts in the amount of \$500,000 or less.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires the Department of Justice to investigate any violations of, and to enforce, the Gambling Control Act. Under the act, a city, county, or city and county may authorize controlled gambling consistent with state law. Current law, however, prohibits an ordinance that would result in an expansion of gambling in the city, county, or city and county from being valid unless the amendment is approved by a majority of the voters. Current law requires an amendment to a city or county ordinance relating to a gambling establishment or the act to be submitted to the department for review and comment before the ordinance is adopted by the city or county. Prior law, until January 1, 2023, prohibited the commission from issuing a gambling license for a gambling establishment that was not licensed to operate on December 31, 1999, except as specified. This bill would reenact that prohibition until January 1, 2043, and would prohibit the commission from issuing a gambling license for a gambling establishment that was not licensed to operate on December 31, 2022, and that is pending before the commission as of January 1, 2024.

1st House				2nd House							

Summary: Current law establishes the Central Valley Flood Protection Board and authorizes the board to engage in various flood control activities along the Sacramento River, the San Joaquin River, their tributaries, and related areas. This bill would authorize the Department of Water Resources or the board to provide advance payments, as defined, to local agencies for projects that restore habitat for threatened and endangered species under state or federal law or improve flood protection, as provided. The bill would prohibit the amount of funds advanced by the department or the board to the local agency at any one time from exceeding 25% of the entire amount authorized to be provided under the funding agreement. The bill would require the project proponent to demonstrate a need for an advance payment and that the project proponent is sufficiently qualified to manage the project and the project's finances. The bill would require the funds to be spent within 6 months and would require the recipient to provide an accountability report to the department or the board on a quarterly basis, as specified.

1st House				2nd House							

Summary: Current federal law prescribes a volume ceiling on the aggregate amount of private activity bonds that may be issued in a state. Current law creates the California Debt Limit Allocation Committee (CDLAC) for the purpose of administering the volume limit for the state on private activity bonds through an allocation system. Current law authorizes CDLAC to adopt, amend, or repeal rules

and regulations as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act. This bill, instead, would authorize CDLAC to adopt, amend, or repeal rules and regulations without complying with the procedural requirements of the Administrative Procedures Act, except as specified. The bill would make rules and regulations adopted, amended, or repealed by CDLAC effective immediately upon adoption.

Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. Current law, until January 1, 2024, specifies that, except as provided, a lead agency is not required to evaluate the aesthetic effects of a project and aesthetic effects are not considered significant effects on the environment if the project involves the refurbishment, conversion, repurposing, or replacement of an existing building that meets certain requirements. This bill would extend the operation of the above provision to January 1, 2029. The bill would require the lead agency to file a notice with the Office of Planning and Research and the county clerk of the county in which the project is located if the lead agency determines that it is not required to evaluate the aesthetic effects of a project and determines to approve or carry out that project. By imposing additional duties on lead agencies, the bill would impose a state-mandated local program.

Summary: Current law authorizes the Department of Transportation to do any act necessary, convenient, or proper for the construction, improvement, maintenance, or use of all highways that are under its jurisdiction, possession, or control. This bill would require the department to develop guidelines for data sharing, documentation, public access, quality control, and promotion of open-source and accessible platforms and decision support tools related to street furniture data, as provided. The bill would define "street furniture" as objects and pieces of equipment installed along a street or road to provide amenities for pedestrians, including, but not limited to, bus shelters, trash receptacles, benches, or public toilets. The bill would require the department to develop the guidelines, in collaboration with specified state and local agencies, and submit a report to the Legislature by January 1, 2025, and every 3 years thereafter, describing those guidelines. To the extent this imposes duties on local agencies, the bill would impose a state-mandated local program. The bill would also require the department to designate the Integrated Climate Adaptation and Resiliency Program Technical Advisory Council, or another entity with expertise and experience working on equity, to advise on the development of the initial and subsequent guidelines, and review the reports related to those guidelines, as provided.

1st House				2nd House							

Summary: Current law establishes the Regional Forest and Fire Capacity Program to support regional leadership to build local and regional capacity and develop, prioritize, and implement strategies and projects that create fire adapted communities and landscapes by improving ecosystem health, community wildfire preparedness, and fire resilience. Under the program, the Department of Conservation is required to provide block grants to regional entities to develop regional strategies that develop governance structures, identify wildfire risks, foster collaboration, and prioritize and implement projects within the region to achieve the program's goals. Current law requires that regional priority strategy development be in coordination with public landowners and other relevant forest and fire planning efforts in wildfire and forest resiliency planning. This bill would, by January 1, 2025, require the Department of Conservation, in consultation with the Wildfire and Forest Resilience Task Force and its member agencies, to establish guidelines for funding the implementation of the regional priority strategies, as provided, and to establish regional investment strategies to identify and align resources that support implementation of regional priority strategies that contribute to the goals and key actions identified in the California's Wildfire and Forest Resilience Action Plan issued by the task force in January 2021 and any subsequent updates to this plan, and the implementation strategy. The bill would authorize conservancies, departments, and boards within the Natural Resources Agency to directly award regional block grants to eligible regional entities, forest collaboratives, and partnerships to implement regional plans, strategies, agreements, and initiatives.

Summary: The Building Homes and Jobs Act, imposes a fee, except as provided, of \$75 to be paid at the time of the recording of every real estate instrument, paper, or notice required or permitted by law to be recorded, per each single transaction per single parcel of real property, not to exceed \$225. Current law requires that a county recorder send revenues from this fee, as provided, to the State Controller for deposit in the Building Homes and Jobs Trust Fund. Current law, for moneys collected on and after January 1, 2019, requires 20% of all moneys in the fund, upon appropriation by the Legislature, to be expended for affordable owner-occupied workforce housing. This bill would require the Department of Housing and Community Development to create and submit a report to the Legislature that includes specified information relating to the expenditure of the above-described moneys for affordable owner-occupied workforce housing, including how those moneys are being utilized and the number of new homeowners as a result of the expenditure of those moneys, among other things.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law authorizes a local agency, as defined, with approval of its governing body, to procure design-build contracts for public works projects in excess of \$1,000,000, awarding the contract either to the lowest bid or the best value. "Local agency" is defined, in part, for this purpose to include specified local and regional agencies responsible for the construction of transit projects, including any joint powers authority formed to provide transit service. Current law, among other requirements for the design-build procurement process, requires specified information submitted by a design-build entity to be certified under penalty of perjury. These provisions authorizing the use of the design-build procurement process are repealed on January 1, 2025. This bill would delete from the definition of "local agency" any joint powers authority formed to provide transit services, and would instead expand that definition to include any joint powers authority responsible for the construction of transit projects, thereby authorizing additional joint powers authorities to use the above-described design-build procurement process. The bill would extend the repeal date to January 1, 2031.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires the State Water Resources Control Board to adopt a model water well, cathodic protection well, and monitoring well drilling and abandonment ordinance implementing certain standards for water well construction, maintenance, and abandonment and requires each county, city, or water agency, where appropriate, not later than January 15, 1990, to adopt a water well, cathodic protection well, and monitoring well drilling and abandonment ordinance that meets or exceeds certain standards. Under current law, if a county, city, or water agency, where appropriate, fails to adopt an ordinance establishing water well, cathodic protection well, and monitoring well drilling and abandonment standards, the model ordinance adopted by the state board is required to take effect on February 15, 1990, and is required to be enforced by the county or city and have the same force and effect as if adopted as a county or city ordinance. The Sustainable Groundwater Management Act requires all groundwater basins designated as high- or medium-priority basins by the Department of Water Resources that are designated as basins subject to critical conditions of overdraft to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2020, and requires all other groundwater basins designated as high- or medium-priority basins to be managed under a groundwater sustainability plan or coordinated groundwater sustainability plans by January 31, 2022, except as specified. This bill would, if 1% of domestic wells go dry in a critically overdrafted basin, as specified, prohibit a county, city, or any other water well permitting agency from approving a permit for a new groundwater well or for an alteration to an existing well in a basin subject to the act and classified as a critically overdrafted basin unless specified conditions are met.

Desk	Policy	Fiscal	Floor	Desk	Policy	2 year	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: (1)Current property tax law, pursuant to constitutional authorization, provides for a "welfare exemption" for property used exclusively for religious, hospital, scientific, or charitable purposes and that is owned or operated by certain types of nonprofit entities, if certain qualifying criteria are met. For the 2022-23 fiscal year through the 2027-28 fiscal year, in the case of an owner of property that is a community land trust, as defined, existing property tax law requires that a unit continue to be treated as occupied by a lower income household for these purposes if the occupants were lower income households on the lien date in the fiscal year in which their occupancy of the unit commenced and the unit continues to be rent restricted, notwithstanding an increase in the income of the occupants of the unit to 140% of area median income, adjusted for family size. Current law requires that a lease between a community land trust and a lower income household satisfy specified requirements in order for these provisions to apply, including being a renewable 99-year ground lease and a public agency or official must make a finding that the contract serves the public interest of creating or preserving affordable housing, as provided. This bill would eliminate specified requirements of a lease agreement between a lower income household and a community land trust in order for the

unit to continue to be treated as occupied by a lower income household, as described above.

Current Text: Amended: 3/30/2023 [html](#) [pdf](#)

Last Amend: 3/30/2023

Status: 9/6/2023-Ordered to inactive file at the request of Senator Wiener.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law, commonly referred to as the Density Bonus Law, requires a city or county to provide a developer that proposes a housing development within the city or county with a density bonus and other incentives or concessions, as specified, if the developer agrees to construct certain types of housing. Current law provides for the calculation of the amount of density bonus for each type of housing development that qualifies under these provisions. Current law defines the term "density bonus" for these purposes to mean a density increase over the otherwise maximum allowable gross residential density as of the date of the application, as described. Current law defines the term "maximum allowable residential density" for these purposes to mean the maximum number of units allowed under the zoning ordinance, specific plan, or land use element of the general plan, or, if a range of density is permitted, the maximum number of units allowed by the specific zoning range, specific plan, or land use element of the general plan applicable to the project. Current law provides under that definition that if the density allowed under the zoning ordinance is inconsistent with the density allowed under the land use element of the general plan or specific plan, the greater density prevails. This bill would instead define "maximum allowable residential density" to mean the greatest number of units allowed under the zoning ordinance, specific plan, or land use element of the general plan, or, if a range of density is permitted, the greatest number of units allowed by the specific zoning range, specific plan, or land use element of the general plan applicable to the project.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires any local agency disposing of surplus land to send, prior to disposing of that property or participating in negotiations to dispose of that property with a prospective transferee, a written notice of availability of the property pursuant to prescribed procedures. Under existing law, the disposal of exempt surplus land is not subject to these requirements. Current law defines "exempt surplus land" for these purposes to include, among other things, surplus land that a local agency is transferring to another local, state, or federal agency for the agency's use. This bill would expand that definition of "exempt surplus land" to include a parcel that (1) is identified in the local agency's circulation element or capital improvement program for future roadway development, (2) is no larger than 2 acres, (3) is zoned for retail commercial use, and the use of the parcel is consistent with the underlying zoning, and (4) abuts a state highway right-of-way.

1st House				2nd House							

Summary: The State Housing Law establishes statewide construction and occupancy standards for buildings used for human habitation. Current law requires, for those purposes, that any building, including any dwelling unit, be deemed to be a substandard building when a health officer determines that any one of specified listed conditions exists to the extent that it endangers the life, limb, health, property, safety, or welfare of the public or its occupants. This bill would instead specify that a building be deemed a substandard building when a health officer determines that any of those listed conditions exist to the extent that it endangers the life, limb, health, property, safety, or welfare of the occupants of the building, nearby residents, or the public. The bill would clarify that the term "substandard building" for purposes of the State Housing Law means a residential building or any other building that is deemed to be substandard pursuant to the provisions described above, and would clarify that standard applies regardless of the zoning designation or approved use of the building.

Current Text: Introduced: 2/7/2023 [html](#) [pdf](#)

Status: 2/17/2023-Referred to Com. on INS.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Insurance Rate Reduction and Reform Act of 1988, an initiative measure enacted by Proposition 103, as approved by the voters at the November 8, 1988, statewide general election, prohibits specified insurance rates from being approved or remaining in effect that are excessive, inadequate, unfairly discriminatory, or otherwise in violation of the act. In considering whether a rate is excessive, inadequate or unfairly discriminatory, current law requires the Insurance Commissioner to consider whether the rate mathematically reflects the insurance company's investment income. Current law authorizes the provisions of Proposition 103 to be amended by a statute that furthers the purposes of the act and is enacted by the Legislature with a 2/3 vote. For insureds 65 years of age or older, this bill would limit an increase in their yearly premium for a policy of residential property insurance by no more than 25 percent for insured property located in a high or very high fire hazard severity zone, as identified by the State Fire Marshal, as specified, and allow only one premium increase in a 5-year period.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law prescribes requirements for the disposal of surplus land by a local agency, as defined, and requires, except as provided, a local agency disposing of surplus land to comply with certain notice requirements before disposing of the land or participating in negotiations to dispose of the land with a prospective transferee, particularly that the local agency send a notice of availability to specified entities that have notified the Department of Housing and Community Development of their interest in surplus land, as specified. Under current law, if the local agency receives a notice of interest, the local agency is required to engage in good faith negotiations with the entity desiring to purchase or lease the surplus land. This bill would define the term "dispose" to mean the sale of the surplus property or a lease of any surplus property entered into on or after January 1, 2024, for a term longer than 15 years, including renewal options, as specified. The bill would provide that "dispose" does not include entering a lease for surplus land on which no development or demolition will occur, regardless of the term of the lease.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law regulates the hiring of real property and imposes various requirements on landlords relating to the application for, and leasing of, residential rental property, including prohibiting the imposition of an application screening fee greater than the cost of gathering information concerning the applicant, or the cost of using a tenant screening service or a consumer credit reporting service. Current law specifies that in no case shall the application screening fee charged by the landlord or their agent be greater than \$30. Existing law requires a landlord or their agent give a copy of a consumer credit report to an applicant who has paid an application screening fee and who is the subject of that report, if so requested by the applicant. This bill would require, under the circumstances described above, that the consumer credit report be given to the applicant within 24 hours.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law authorizes the legislative body of a local agency, as defined, to make, by ordinance, a violation of an ordinance subject to an administrative fine or penalty, as specified. Current law requires the local agency to set forth by ordinance the administrative procedures that govern the imposition, enforcement, collection, and administrative review by the local agency of those administrative fines or penalties. Current law authorizes a person contesting a final administrative order or decision to seek review by filing an appeal to be heard by the superior court, as specified. This bill would authorize a local agency to establish, by ordinance, a procedure to collect those administrative fines or penalties by lien upon the parcel of land on which the violation occurred, as specified. This bill would authorize a local agency, after the exhaustion of the administrative and appeal procedures referenced above, to file with the clerk of the superior court of any county a certified copy of a final decision of the local agency that directs the payment of an administrative fine or penalty and, if applicable, a copy of an order of the superior court rendered on an appeal from the local agency's decision. The bill would require the clerk to enter the judgment immediately and prohibit the clerk from charging fees related to that requirement.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include in its regulation of those emissions the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board from the auction or sale of allowances as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund. Current law continuously appropriates 25% of the annual proceeds of the fund to the High-Speed Rail Authority for certain purposes. This bill would suspend the appropriation to the High-Speed Rail Authority for the 2024-25 and 2025-26 fiscal years and would require the transfer of those amounts from moneys collected by the state board to the General Fund. The bill would specify that the transferred amounts shall be available, upon appropriation, to augment funding for water conveyance, water storage infrastructure, and flood prevention.

Desk	Policy	Fiscal	Floor	Desk	Policy	2 year	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law establishes the Department of Housing and Community Development and requires it to administer various programs intended to promote the development of housing and to provide housing assistance and home loans. Current law sets forth various general powers of the department in implementing these programs, including authorizing the department to enter into long-term contracts or agreements of up to 30 years for the purpose of servicing loans or grants or enforcing regulatory agreements or other security documents. Current law authorizes the Department of Housing and Community Development to approve an extension of a department loan, the reinstatement of a qualifying unpaid matured loan, the subordination of a department loan to new debt, or an investment of tax credit equity pursuant to specified rental housing finance programs, as specified, unless it would result in a rent increase for tenants of a development. Current law authorizes the department to charge a monitoring fee to cover the aggregate monitoring costs in years the loan is extended and a transaction fee to cover its costs for processing restructuring transactions, and requires developer fee limitations to be consistent with specified laws and regulations, including regulations by the California Tax Credit Allocation Committee. This bill would revise and recast these provisions, including additionally authorizing the department to approve the payoff of a department loan in whole or part prior to the end of its term and the extraction of equity from a development for purposes approved by the department. The bill would prohibit the extension, reinstatement, subordination, payoff, extraction, or investment, as described above, if it would result in a rent increase for tenants of a development over and above the annual adjustment to the tenants' rents under the department's regulatory agreement. The bill would authorize the department to waive specified requirements in the regulatory agreement if the loan is paid off, including requiring occupancy and financial reports and governing the use of operating income and reserves for the development.

Status: 9/13/2023-Enrolled and presented to the Governor at 3 p.m.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Mitigation Fee Act, imposes certain requirements on a local agency that imposes a fee as a condition of approval of a development project that is imposed to provide for an improvement to be constructed to serve the development project, or a fee for public improvements, as specified. In this regard, the Mitigation Fee Act requires the local agency to deposit the fee in a separate capital facilities account or fund, and to make certain information about the account or fund public annually, as specified. The Mitigation Fee Act requires that information to include an identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement, as specified. The Mitigation Fee Act also requires that information to include the amount of refunds made to the owners of the lots or units of the development project, as specified. This bill would require the report to include an identification of each public improvement identified in a previous report, whether construction began on the approximate date noted in the previous report, the reason for the delay, if any, and a revised approximate date that the local agency will commence construction, if applicable. The bill would also require the report to include the number of persons or entities identified to receive refunds.

1st House				2nd House				Conc.			

Summary: Current law establishes the Department of Housing and Community Development and sets forth its powers and duties, including promoting the development of affordable housing in the state. Current law creates the California Housing Finance Agency within the department and authorizes the agency to make loans to finance affordable housing. Current law establishes the California Tax Credit Allocation Committee to allocate specified federal low-income housing tax credits. Current law also establishes the California Debt Limit Allocation Committee for the purpose of implementing the volume limit for the state on private activity bonds established pursuant to federal law. Under existing law, the committee's duties include annually determining a state ceiling on the aggregate amount of private activity bonds that may be issued, and allocating that amount among state and local agencies. This bill would require specified reviewing entities, as defined as the above-described entities, to jointly convene an Affordable Housing Finance Workgroup to develop recommendations for state-administered programs to utilize a consolidated application for multifamily affordable rental housing developers to use to obtain grants, soft loans, low-income housing tax credits, tax exempt bonds, federal funds, as applicable, and other types of subsidies for building affordable housing, and develop a coordinated review process for the application, as described. The bill would require the workgroup to include representatives of the reviewing entities, nonprofit and for-profit affordable housing developers, and local and tribal governments. The bill would require the workgroup to identify specified information, including any state-administered program that may utilize the consolidated application and coordinated review process, and a timeline for developing a single consolidated application and coordinated review process.

1st House				2nd House				Conc.			

Summary: The California Urban Forestry Act of 1978 requires the Department of Forestry and Fire Protection to implement a program in urban forestry to encourage better tree management and planting in urban areas to increase integrated, multiple-benefit projects by assisting urban areas with innovative solutions to problems, as provided. The act authorizes the Director of Forestry and Fire Protection to make grants to provide assistance of 25% to 90% of costs for projects, as provided. This bill would require funds appropriated or allocated to the Department of Forestry and Fire Protection for the bill's purposes to be administered to support school greening, as defined, by providing grants to eligible local educational agencies, as defined, nonprofit organizations, cities, counties, and districts, including special districts, through a competitive grant process that the bill would require the department to develop, including guidelines and selection criteria, as specified, on or before July 1, 2024. The bill would require the department, before developing the grant process, to hold at least 2 public hearings to gather public input on the grant process development. The bill would, upon appropriation in the annual Budget Act, require funding for these purposes to be transferred to the School Greening and Resiliency Fund, which the bill would establish in the State Treasury.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Planning and Zoning Law requires the Department of Housing and Community Development to determine whether the housing element in each county and city is in substantial compliance with specified provisions of that law. Current law, for award cycles commenced after July 1, 2021, awards a city, county, or city and county, that has adopted a housing element determined by the department to be in substantial compliance with specified provisions of the Planning and Zoning Law and that has been designated by the department as prohousing based upon their adoption of prohousing local policies, as specified, additional points in the scoring of program applications for housing and infrastructure programs pursuant to guidelines adopted by the department, as provided.

Current law defines “prohousing local policies” as policies that facilitate the planning, approval, or construction of housing, including, but not limited to, local financial incentives for housing, reduced parking requirements for sites that are zoned for residential development, and the adoption of zoning allowing for use by right for residential and mixed-use development. This bill would add the facilitation of the conversion or redevelopment of commercial properties into housing, including the adoption of adaptive reuse, as defined, ordinances or other mechanisms that reduce barriers for these conversions, to the list of specified prohousing local policies.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law deems a building, portion of a building, or premises on which a building is located to be a substandard building if any one of specified conditions exists to the extent that it endangers the life, limb, health, property, safety, or welfare of the public or its occupants. Current law deems a building, portion of a building, or premises on which a building is located to be in violation of the State Housing Law if it contains lead hazards, as specified, that are likely to endanger the health of the public or the occupants. This bill would require local enforcement agencies, by January 1, 2025, to develop policies and procedures for inspecting a building with multiple units if an inspector or code enforcement officer has determined that a unit is substandard or is in violation of the State Housing Law, and the inspector or code enforcement officer determines that the defects or violations have the potential to affect other units of the building, as specified. If the local enforcement agency determines

the substandard condition could reasonably affect other units, the bill would require notice be given to the property owner, as specified, and the units reinspected to verify correction of the violations.

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Planning and Zoning Law requires each city, county, and city and county to prepare and adopt a general plan that contains certain mandatory elements, including a housing element. Current law requires the housing element to identify the existing and projected housing needs of all economic segments of the community. Current federal law requires a continuum of care, a group organized under the federal McKinney-Vento Homeless Assistance Act, to develop a plan that includes planning for and conducting, at least biennially, a point-in-time count of homeless persons within the geographic area. Current law requires that information from the point-in-time count be used to, among other things, allocate funding for the Homeless Emergency Aid program and Homeless Housing, Assistance, and Prevention program. This bill would require a city, county, and city and county, within 60 days after the local continuum of care releases the results of a point-in-time count for a city, county, or city and county's jurisdiction, to, among other things, agendize the point-in-time count results at a meeting of the city, county, or city and county and present the steps the city, county, or city and county is taking to prevent and end homelessness, including, but not limited to, consideration of specified actions.

AB 557 (Hart D) Open meetings: local agencies: teleconferences.

Current Text: Enrolled: 9/12/2023 [html](#) [pdf](#)

Last Amend: 9/1/2023

Status: 9/11/2023-Senate amendments concurred in. To Engrossing and Enrolling. (Ayes 79. Noes 0.).

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Ralph M. Brown Act allows for meetings to occur via teleconferencing subject to certain requirements, particularly that the legislative body notice each teleconference location of each member that will be participating in the public meeting, that each teleconference location be accessible to the public, that members of the public be allowed to address the legislative body at each teleconference location, that the legislative body post an agenda at each teleconference location, and that at least a quorum of the legislative body participate from locations within the boundaries of the local agency's jurisdiction. The act provides an exemption to the jurisdictional requirement for health authorities, as defined. Current law, until January 1, 2024, authorizes the legislative body of a local agency to use teleconferencing without complying with those specified teleconferencing requirements in specified circumstances when a declared state of emergency is in effect. Those circumstances are that (1) state or local officials have imposed or recommended measures to promote social distancing, (2) the legislative body is meeting for the purpose of determining whether, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees, or (3) the legislative body has previously made that determination. If there is a continuing state of emergency, or if state or local officials have imposed or recommended measures to promote social distancing, existing law requires a legislative body to make specified findings not later than 30 days after the first teleconferenced meeting, and to make those findings every 30 days thereafter, in order to continue to meet under these abbreviated teleconferencing procedures. This bill would revise the authority of a legislative body to hold a teleconference meeting under those abbreviated teleconferencing procedures when a declared state of emergency is in effect.

1st House				2nd House							

Summary: The California Coastal Act of 1976 requires the issuance of a coastal development permit if the proposed development is in conformity with the certified local coastal program. The act provides for the certification of local coastal programs by the California Coastal Commission. The act authorizes the requirement of having to obtain a permit to be waived when immediate action by a person or public agency performing a public service is required to protect life and public property from imminent danger, or to restore, repair, or maintain public works, utilities, or services destroyed, damaged, or interrupted by natural disaster, serious accident, or in other cases of emergency, as specified. The act provides that this waiver provision does not authorize the permanent erection of structures valued at more than \$25,000. This bill would increase the above-described amount to \$125,000, adjusted annually for inflation pursuant to the consumer price index.

Summary: Current law vests the Public Utilities Commission (PUC) with regulatory jurisdiction over public utilities, including electrical corporations, as provided. Current law requires the PUC and the State Energy Resources Conservation and Development Commission (Energy Commission) to undertake specified actions to advance the state's clean energy and pollution reduction objectives. This bill would request the California Council on Science and Technology (CCST), in its discretion, every 3 years, to assess the infrastructure project types, scale, and pace necessary to achieve the state's energy, climate change, and air quality goals, as specified. The bill would also require GO-Biz, in consultation with the Energy Commission, the PUC, and the state board, to prepare an assessment of the barriers, challenges, and impediments limiting the deployment and development of clean energy projects, as specified. The bill would require GO-Biz to submit this assessment to the Legislature on or before January 1, 2026. The bill would also require the assessment to be considered and incorporated into the work carried out by the Infrastructure Strike Team convened by the Governor.

1st House				2nd House				Conc.			

Summary: The California Endangered Species Act prohibits the taking of an endangered or candidate species, except as provided. Under the act, the Department of Fish and Wildlife may authorize the take of listed species pursuant to an incidental take permit if the take is incidental to an otherwise lawful activity, the impacts are minimized and fully mitigated, and the issuance of the permit would not jeopardize the continued existence of the species. The act requires the department to adopt regulations for the issuance of incidental take permits. Current law also generally provides that a violation of the Fish and Game Code is a crime. The act also provides, until January 1, 2024, that the accidental take of a candidate, threatened, or endangered species resulting from an act that occurs on a farm or a ranch in the course of otherwise lawful routine and ongoing agricultural activities is not prohibited by the act, as provided, and would require a person, when an accidental take is known to occur under these provisions, to report the take to the department within 10 days.

1st House				2nd House				Conc.			

Summary: The Housing Authorities Law creates a housing authority in each county and each city that is authorized to transact business and exercise specified powers upon adoption of a resolution by the governing body of the county or city declaring that there is a need for the authority to function. Among other things, current law authorizes a housing authority to prepare, carry out, acquire, lease, and operate housing projects and housing developments for persons of low income, as provided. This bill

would establish the Federal Housing Voucher Acceleration Program, and would require the Department of Housing and Community Development to establish, administer, and fund a grant application process and award grants to public housing authorities in geographically diverse communities, as determined by the department, on or before July 1, 2024. The bill would authorize applicants to use grant funds to provide specified services to the eligible population. The bill would require the department to allocate grant funds to applicants based upon the number of public housing and Section 8 vouchers maintained by the housing authority and by a housing authority's success rate, defined as the percentage of new voucher families that successfully lease a qualifying unit.

1st House				2nd House							

Summary: The California Emergency Services Act provides that political subdivisions, as defined, have full power during a local emergency to provide mutual aid to any affected area in accordance with local ordinances, resolutions, emergency plans, or agreements. Current law defines "emergency plan" for these purposes to mean official and approved documents that describe the principles and methods to be applied in carrying out emergency operations or rendering mutual aid during emergencies. Current law requires that a county send a copy of its emergency plan to the Office of Emergency Services upon an update to the plan. Upon the next update to a city or county's emergency plan, this bill would require a county to update its emergency plan to designate emergency shelters able to accommodate persons with pets, and would require a city that has previously adopted an emergency plan designating emergency shelters to update its emergency plan to designate emergency shelters able to accommodate persons with pets. This bill would require, upon the next update to a city or county's emergency plan, whenever a city or county designates any number of emergency shelters that it also designate at least one emergency shelter that can accommodate persons with pets. This bill would also require, upon the next update to a city or county's emergency plan, whenever a city or county designates any number of cooling centers or warming centers, that it also, to the extent practicable,

designate at least one cooling center or warming center, as applicable, that can accommodate persons with pets. The bill would require an emergency shelter designated as able to accommodate persons with pets to be in compliance with safety procedures regarding the sheltering of pets referenced or established in the component of the state and local emergency plan and applicable disaster assistance policies and procedures of the Federal Emergency Management Agency.

Summary: Current law, until January 1, 2026, authorizes the legislative body of a local agency to use alternative teleconferencing in certain circumstances related to the particular member if at least a quorum of its members participate from a singular physical location that is open to the public and situated within the agency's jurisdiction and other requirements are met, including restrictions on remote participation by a member of the legislative body. This bill would authorize a subsidiary body, as defined, to use alternative teleconferencing provisions similar to the emergency provisions indefinitely and without regard to a state of emergency. In order to use teleconferencing pursuant to the Ralph M. Brown Act, the bill would require the legislative body that established the subsidiary body by charter, ordinance, resolution, or other formal action to make specified findings by majority vote, before the subsidiary body uses teleconferencing for the first time and every 12 months thereafter.

1st House				2nd House							

Summary: The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for the physical development of the county or city, and of certain land outside its boundaries. Current law requires that county or city zoning ordinances be consistent with the general plan of the county or city by January 1, 1974. Current law authorizes any resident or property owner to bring an action or proceeding in the superior court to enforce compliance with these provisions within 90 days of the enactment of any new zoning ordinance or the amendment of any existing zoning ordinance. Current law requires a zoning ordinance to be amended within a reasonable time so that it is consistent with the general plan in the event that the ordinance becomes inconsistent with the plan by reason of amendment to the plan. This bill would additionally authorize any resident or property owner to bring an action or proceeding in the superior court to enforce compliance with these provisions within 90 days of the failure of a local agency to amend a zoning ordinance within a reasonable time of the zoning ordinance becoming inconsistent with the general plan due to amendment to the plan or to any element of the plan.

Status: 7/14/2023-Failed Deadline pursuant to Rule 61(a)(10). (Last location was GOV. & F. on 6/7/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law prescribes requirements for the disposal of surplus land by a local agency. Current law defines terms for these purposes, including, among others, "surplus land" to mean land owned in fee simple by any local agency for which the local agency's governing body takes formal action in a regular public meeting declaring that the land is surplus and is not necessary for the agency's use. Current law defines "exempt surplus land" to mean, among other things, surplus land that a local agency is exchanging for another property necessary for the agency's use and surplus land that a local agency is transferring to another local, state, or federal agency for the agency's use. Current law provides that an agency is not required to follow the requirements for disposal of surplus land for "exempt surplus land," except as provided. This bill would provide, until January 1, 2024, that land that is subject to a sectional planning area, as described, is not subject to the above-described requirements for the disposal of surplus land if specified conditions are met. The bill would, commencing April 1, 2025, and annually thereafter, require a local agency that disposes of land pursuant to these provisions submit a specified report to the Department of Housing and Community Development.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for its physical development, and the development of certain lands outside its boundaries, that includes, among other mandatory elements, a housing element. Current law also authorizes the legislative body of a city or a county to adopt ordinances establishing requirements for parking. When an entity receiving parking is not using that parking to meet public automobile parking requirements, this bill would require a local agency, as defined, to allow entities with underutilized parking to share their underutilized parking with the public, local agencies, or other entities, if those entities submit a shared parking agreement, as defined, to the local agency, and information identifying the benefits of the proposed shared parking agreement. The bill would require a local agency to allow parking spaces identified in a shared parking agreement to count toward meeting automobile parking requirements for a new or existing development or use, including, but not limited to, shared parking in underutilized spaces and in parking lots and garages that will be constructed as part of the development or developments when specified conditions regarding the distance between the entities that will share the parking are met. The bill would require a local agency to approve the shared parking agreement if it includes, among other things, a parking analysis using peer-reviewed methodologies developed by a professional planning association, as specified. The bill would require a local agency to decide whether to approve or deny the shared parking agreement and determine how many parking spaces can be reasonably shared between uses to fulfill parking requirements if the shared parking agreement does not include this parking analysis. If the local agency is required to decide whether to approve or deny an agreement for specified developments under these provisions, the bill would require the local agency to notify all property owners within 300 feet of the shared parking spaces of the proposed agreement and to hold a public meeting if it receives a request to do so within 14 days of notifying property owners, as provided. The bill would specify that these notification and public meeting requirements would not apply to local agencies that enact an ordinance that provides for shared parking agreements, including ordinances enacted before January 1, 2024.

1st House				2nd House				Conc.				

Summary: Would authorize the legislative body of a city or county to propose the establishment of an affordable housing financing authority by adopting a resolution of intention to form a district that complies with specified requirements. The bill would limit the activities of a district established pursuant to these provisions to financing the development of affordable housing, as defined, within its territorial boundaries, infrastructure to support that housing, and specified related costs. The bill would require the legislative body of the city or county proposing the establishment of a district to serve as the governing board of the district. The bill would require the city or county engineer, or other appropriate official designated by the governing board of the district, to prepare an affordable housing financing plan, as provided. The bill would authorize the affordable housing financing plan to include a provision

for the division of taxes, except as provided. The bill would require a district to spend at least 80% of its funding derived from the division of taxes on affordable housing and would prohibit the district from spending more than 20% of those funds on affordable housing-related infrastructure.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law permits a person who holds or is acquiring an ownership interest of record in property that the person believes is the subject of an unlawfully restrictive covenant based on, among other things, the number of persons or families who may reside on the property, to record a restrictive covenant modification. Current law entitles the owner of an affordable housing development to establish that an existing restrictive covenant is unenforceable by submitting a restrictive covenant modification document that modifies or removes any existing restrictive covenant language. Before recording the modification document, current law requires the owner to submit to the county recorder a copy of the original restrictive covenant and any documents the owner believes necessary to establish that the property qualifies as an affordable housing development for purposes of these provisions. As part of this process, current law requires the county counsel to determine, among other things, if the property qualifies as an affordable housing development and if a modification document may be recorded. If the county counsel has authorized the county recorder to record the modification document, that authorization is required to be noted on the face of the modification or on a cover sheet affixed to it. This bill would require the county recorder to notify the owner or submitting party of the county counsel's determination without delay, so that notice may be given by the owner regarding the authorization to record the modification document. The bill would permit the owner, upon receipt of that notification, to mail copies of the modification documents and related materials by certified mail to anyone who the owner knows has an interest in the property or the restrictive covenant.

Summary: Would require the Department of Insurance, upon appropriation, to establish and administer the Climate and Sustainability Insurance and Risk Reduction Program for the purpose of achieving specified goals, including developing proof of concepts that expand insurance options, especially in vulnerable and disadvantaged communities where climate risks are currently uninsured or underinsured. The bill, upon appropriation, would establish 8 climate insurance pilot projects in specified local jurisdictions to reduce physical risks from flooding and extreme heat and to reduce the protection gap in communities with high risks and low insurance uptake. The local jurisdictions would be required to develop and establish a specific pilot project in consultation with the department to achieve specified objectives, including prioritizing pre-disaster mitigation activities. The bill would require the department to provide technical support for the pilot projects. The bill would repeal these provisions on January 1, 2035. The bill would include a statement of legislative findings and declarations. By imposing new duties on the local jurisdictions relating to the pilot programs, this would create a state-mandated local program.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law defines a nuisance, in part, as anything which is injurious to health, or is indecent or offensive to the senses, or an obstruction to the free use of property, so as to interfere with the comfortable enjoyment of life or property and defines a public nuisance as one that affects an entire community, neighborhood, or any considerable number of persons at the same time. Current law authorizes various remedies for nuisances, including remedies to effect abatement and damages. Existing law authorizes a court to award costs, including attorney's fees, in specified cases brought by a government agency. This bill would require a court to award attorney's fees to a prevailing plaintiff in

an action to require a governmental entity to abate a public nuisance arising from a homeless encampment.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. This bill would require a person seeking judicial review of the decision of a lead agency made pursuant to CEQA to carry out or approve a housing project to post a bond of \$1,000,000 to cover the costs and damages to the housing project incurred by the respondent or real party in interest. The bill would authorize the court to adjust this bond requirement upon a finding of good cause to believe that the requirement does not further the interest of justice.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law establishes procedures for the disposal of surplus land, including requiring certain information to be provided to the Department of Housing and Community Development. These procedures do not apply to the disposal of exempt surplus land. Current law describes various categories of "exempt surplus land," including surplus land that is less than 5,000 square feet in area, less than the minimum legal residential building lot size for the jurisdiction in which the parcel is located, or 5,000 square feet in area, whichever is less, or has no record access and is less than 10,000 square feet in area; and is not contiguous to land owned by a state or local agency that is used for open-space or low- and moderate-income housing purposes. In this regard, if this category of surplus land is not sold to an owner of contiguous land, it is not considered exempt surplus land and is subject to the surplus land procedures. This bill would expand the above category of "exempt surplus land" to include land that is designated in an adopted downtown revitalization plan not to exceed 1.1 square miles and includes residential, commercial, office, civic and hospitality uses.

AB 1175 (Quirk-Silva D) Outdoor advertising displays: redevelopment agency project areas.

Current Text: Enrollment: 9/14/2023 [html](#) [pdf](#)

Last Amend: 9/1/2023

Status: 9/14/2023-Senate amendments concurred in. To Engrossing and Enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Outdoor Advertising Act provides for the regulation by the Department of Transportation of an advertising display, as defined, within view of public highways. The act regulates the placement of an off-premises advertising display along highways that generally advertises business conducted or services rendered or goods produced or sold at a location other than the property where the display is located. The act does not apply to an on-premises advertising display, which generally advertises business conducted or services rendered or goods produced or sold at the location where the display is located. However, until January 1, 2023, the act treats an off-premises advertising display developed as part of and within the boundary limits of a redevelopment agency project, as those boundaries existed on December 29, 2011, as an on-premises advertising display if it meets certain criteria, subject to an extension beyond January 1, 2023, not to exceed the expiration of the redevelopment project area, upon a showing of good cause, as specified, to the department by the applicable city, county, or city and county. Current law requires the advertising copy of these advertising displays within redevelopment agency boundary limits to advertise only the businesses or activities operating within those boundary limits, imposes other related display requirements, and requires a city, county, or city and county to annually certify to the department that these advertising copy requirements are met. Current law requires that a redevelopment area advertising display be removed by January 1, 2023, or by the end of any applicable extension, unless it qualifies as a lawful display under the act, without the payment of any compensation to the owner or operator. This bill would, instead, treat an off-premises advertising display within the boundary limits of a redevelopment agency project, as detailed above, that meets the applicable criteria as an on-premises advertising display until January 1, 2026, would eliminate the authorization for an extension for good cause, would eliminate the requirements regarding advertising copy, and would eliminate the explicit requirement that the display be removed without compensation to the owner or operator.

AB 1176 (Zbur D) General plans: Local Electrification Planning Act.**Current Text:** Amended: 5/26/2023 [html](#) [pdf](#)**Last Amend:** 5/26/2023**Status:** 7/14/2023-Failed Deadline pursuant to Rule 61(a)(10). (Last location was GOV. & F. on 6/14/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Planning and Zoning Law requires a city or county to adopt a comprehensive general plan for the city's or county's physical development that includes various elements, including, among others, a land use element that designates the proposed general distribution and general location and extent of the uses of the land in specified categories, and a circulation element that identifies the location and extent of existing and proposed major thoroughfares, transportation routes, terminals, any military airports and ports, and other local public utilities and facilities, as specified. This bill, the Local Electrification Planning Act, would require a city, county, or city and county to prepare and adopt a specified plan, or otherwise integrate a plan into the general plan, that, among other things, identifies opportunities to expand electric vehicle charging to meet the needs of the city's, county's, or city and county's current and future visitors, residents, and businesses, and includes policies and implementation measures that address the needs of disadvantaged communities, low-income households, and small businesses for investments in zero-emission technologies that directly benefit these groups, as specified.

1st House				2nd House							

Summary: The California Climate Crisis Act declares that it is the policy of the state both to achieve net-zero greenhouse gas emissions as soon as possible, but no later than 2045, and achieve and maintain net-negative greenhouse gas emissions thereafter, and to ensure that by 2045, statewide anthropogenic greenhouse gas emissions are reduced to at least 85% below the 1990 levels. This bill would require the Department of Finance, in conjunction with the Governor's Budget, to submit a decarbonization funding plan (plan) to the Joint Legislative Committee on Climate Change and to post the plan on its internet website. The bill would require the plan to, among other things, identify decarbonization opportunities to help the state reach its targets to reduce the effects of climate change and set out priorities for funding, suggest efficiencies distributing decarbonization funds, including expediting the application and award process, and provide recommendations on how to effectively align state decarbonization incentives and allocated general fund moneys with federal funds from the Inflation Reduction Act of 2022 and the Infrastructure Investment and Jobs Act. The bill would require, by July 1, 2024, the department to establish an internet web portal for purposes of identifying decarbonization funding opportunities with specified information. The bill would require GO-Biz to post a link to the internet web portal on its internet website.

1st House				2nd House							

Summary: The Planning and Zoning Law authorizes a development proponent to submit an application for a multifamily housing development that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit, if the development satisfies specified objective planning standards, including, among others, that the development is a multifamily housing development that contains 2 or more residential units and the development proponent commits to record, prior to the issuance of the first building permit, a land use restriction or covenant providing that any lower or moderate-income housing units remain available at affordable housing costs or rent to persons and families of lower or moderate income for no less than 55 years or 45 years, as specified. This bill, if a city or county approves a construction project through the expedited, streamlined permitting described above, would require the city or county to require the development proponent to place a sign of reasonable dimensions and design on the parcel in which the project is located that includes specified information, including the development proponent's contact information, the construction permit numbers, and a brief project description.

1st House				2nd House				Conc.			

Summary: Current law establishes the Agricultural Protection Planning Grant Program within the Department of Conservation, to provide planning grants to improve the protection of agricultural lands and grazing lands, including oak woodlands and grasslands. Current law provides these planning grants to, among other things, maintain local food supplies and agricultural economies through the protection of agricultural lands. Current law authorizes certain purposes for which these grants may be made for agricultural protection, including, among others, to develop public-private partnerships for the long-term protection and stewardship of agricultural lands. Current law prohibits the department from awarding a grant in excess of \$500,000 to any applicant and \$750,000 if the department determines that the grant application is for collaborative planning activities proposed to include 2 or more adjacent counties, cities, or city and county. This bill would additionally authorize a nonprofit organization to apply to the department for a planning grant to assist in identifying and mapping local food producers, as defined, if the department receives an appropriation from the Legislature for those purposes. The bill would authorize planning grants to be awarded for the purpose of maintaining local food producers through the protection of agricultural lands, as specified.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Housing Crisis Act of 2019 prohibits an affected city or an affected county, as defined, from approving a housing development project that will require the demolition of one or more residential dwelling units, unless the project creates at least as many residential dwelling units as will be demolished. The act also prohibits an affected city or affected county from approving any housing development project that will require the demolition of occupied or vacant protected units, unless

specified conditions are met. In this regard, the act requires a project that will require the demolition of occupied or vacant protected units to, among other things, (1) replace all existing protected units and protected units demolished on or after January 1, 2020, (2) include a minimum amount of residential units, (3) allow existing occupants to occupy their units until 6 months before the start of construction activities, and (4) provide relocation benefits to the existing occupants of any protected units that are lower income households. This bill would expand the demolition of residential dwelling units prohibitions to prohibit an affected city or affected county from approving any development project that will require the demolition of occupied or vacant protected units, or that is located on a site where protected units were demolished in the previous 5 years, unless the conditions described above are met, except as provided.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Homeless Housing, Assistance, and Prevention program is administered by the California Interagency Council on Homelessness to provide grant funds to cities, continuums of care, and tribes in 5 rounds to support regional coordination and expand or develop local capacity to address homelessness challenges informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the effort of those individuals and families to maintain their permanent housing. Current law requires, to be eligible for a round 5 base program allocation, a jurisdiction that is not a tribe to apply as part of a region and to be signatory to a regionally coordinated homelessness action plan that has been approved by the council. Current law requires the regionally coordinated homelessness action plan to include, among other things, an explanation of how each participating jurisdiction is utilizing local, state, and federal funding programs to end homelessness. Current law establishes the Encampment Resolution Funding program, administered by the California Interagency Council on Homelessness, to increase collaboration between the council, local jurisdictions, and continuums of care for specified purposes. Existing law requires the council to award moneys pursuant to the program as competitive grants, as specified, to be used to support encampment resolution and rehousing efforts for local jurisdictions. Current law requires the council to prioritize funding applicants that demonstrate a commitment to cross-systems collaboration and innovative efforts to resolve encampment issues or have 50 or more individuals living in the encampment. This bill would require the above-described regionally coordinated homelessness action plan to additionally include evidence and an explanation by a continuum of care that shares geographic boundaries with a city, county, or city and county that is using state funding allocated pursuant to the Homeless Housing, Assistance, and Prevention program or is receiving state funding pursuant to the Encampment Resolution Funding program to provide services or housing for place-based encampment resolution, of collaboration with the city, county, or city and county that addresses how people served through encampment resolution have or will be included in prioritization for permanent housing within coordinated entry systems.

AB 1287 (Alvarez D) Density Bonus Law: maximum allowable residential density: additional density bonus and incentives or concessions.

Current Text: Enrollment: 9/13/2023 [html](#) [pdf](#)

Last Amend: 9/8/2023

Status: 9/13/2023-Senate amendments concurred in. To Engrossing and Enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law defines the term "density bonus" for specified purposes to mean a density increase over the otherwise maximum allowable gross residential density as of the date of the application, as described. Current law defines the term "maximum allowable residential density" for these purposes to mean the maximum number of units allowed under the zoning ordinance, specific plan, or land use element of the general plan, or, if a range of density is permitted, the maximum number of units allowed by the specific zoning range, specific plan, or land use element of the general plan applicable to the project. Current law provides under that definition that if the density allowed under the zoning ordinance is inconsistent with the density allowed under the land use element of the general plan or specific plan, the greater density prevails. This bill would instead define "maximum allowable residential density" to mean the greatest number of units allowed under the zoning ordinance, specific plan, or land use element of the general plan, or, if a range of density is permitted, the greatest number of units allowed by the specific zoning range, specific plan, or land use element of the general plan applicable to the project. The bill would also remove from that definition the provision

stating that the greater density prevails if the density allowed under the zoning ordinance is inconsistent with the density allowed under the land use element of the general plan or specific plan. This bill would require a city, county, or city and county to grant an additional density bonus, calculated as specified, when (1) an applicant proposes to construct a housing development that conforms to specified requirements, (2) the applicant agrees to include additional rental or for-sale units affordable to very low income households or moderate-income households, as specified, and (3) the housing development conforms to specified requirements and provides 24% of the total units to lower income households, conforms to specified requirements and provides 15% of the total units to very low income households, or conforms to specified requirements and provides 44% of the total units to moderate-income units. The bill would require a city, county, or city and county to grant four incentives or concessions for a project that includes at least 16% of the units for very low income households or at least 45% for persons and families of moderate income in a development in which the units are for sale. The bill would increase the incentives or concessions for a project in which 100% of all units are for lower income households, as specified, from 4 to 5.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law prohibits an owner of residential real property from, over the course of any 12-month period, increasing the gross rental rate for a dwelling or a unit more than 5% plus the percentage change in the cost of living, or 10%, whichever is lower, of the lowest gross rental rate charged for that dwelling or unit at any time during the 12 months before the effective date of the increase, as prescribed. This bill would require the owner of qualifying residential property, as defined, that provides parking with the qualifying residential property to unbundle parking from the price of rent, as specified. The bill would define "unbundled parking" as the practice of selling or leasing parking spaces separate from the lease of the residential use. The bill would define "qualifying residential property" as any dwelling or unit that is intended for human habitation that (1) is issued a certificate of occupancy on or after January 1, 2025, (2) consists of 16 or more residential units, and (3) is located within the County of Alameda, Fresno, Los Angeles, Riverside, Sacramento, San Bernardino, San Joaquin, Santa Clara, Shasta, or Ventura. The bill would provide a tenant of a qualifying residential property with a right of first refusal to parking spaces built for their unit, as specified. The bill would prohibit a tenant's failure to pay the parking fee of a separately leased parking agreement from forming the basis of any unlawful detainer action against the tenant. The bill would authorize a property owner, if a tenant fails to pay by the 45th day following the date payment is owed for a separately leased parking space, to revoke that tenant's right to lease that parking spot. The bill would exempt certain properties from these provisions, including residential properties with individual garages that are functionally a part of the property and housing developments where 100% of the units, exclusive of any manager's unit or units, are restricted as affordable housing for persons and families of low or moderate income. This bill contains other related provisions.

1st House				2nd House							

Summary: The Planning and Zoning Law authorizes a local agency, by ordinance or ministerial approval, to provide for the creation of accessory dwelling units in areas zoned for residential use, as specified. Current law authorizes a local agency to impose standards on accessory dwelling units that include, but are not limited to, parking, height, setback, landscape, architectural review, and maximum size of a unit. This bill would require each local agency, by January 1, 2025, to develop a program for the preapproval of accessory dwelling unit plans, whereby the local agency accepts accessory dwelling unit plan submissions for preapproval and approves or denies the preapproval applications, as specified. The bill would authorize a local agency to charge a fee to an applicant for the preapproval of an accessory dwelling unit plan, as specified. The bill would require the local agency to post preapproved accessory dwelling unit plans and the contact information of the applicant on the local agency's internet website. The bill would require a local agency to either approve or deny an application for a permit for a proposed accessory dwelling unit within 30 days that utilizes either an accessory dwelling unit plan preapproved within the current triennial California Building Standards Code rulemaking cycle or a plan that is identical to a plan used in an application for a detached accessory dwelling unit approved by the local agency within the current triennial California Building Standards Code rulemaking cycle.

Summary: Current law prescribes various requirements to be satisfied before the exercise of a power of sale under a mortgage or deed of trust and prescribes a procedure for the exercise of that power. Current law, until January 1, 2031, for purposes of the exercise of a power of sale, prohibits a trustee from bundling properties for the purpose of sale, instead requiring each property to be bid on separately, unless the deed of trust or mortgage provides otherwise. Current law also prohibits specified institutions that, during their immediately preceding annual reporting period, as established with their primary regulator, foreclosed on 175 or more residential real properties, containing no more than 4 dwelling units, from conducting a sale of 2 or more parcels of real property containing one to 4 residential dwelling units, inclusive, at least 2 of which have been acquired through foreclosure under a mortgage or deed of trust. This bill would prohibit a developer of residential one to 4 dwelling units, inclusive, from conducting a sale of 2 or more parcels of real property containing one to 4 residential dwelling units, inclusive, if the occupancy permit was issued on or after January 1, 2024.

AB 1334 (Pellerin D) Mobilehome parks: additional spaces: exemption from additional fees or charges.

Current Text: Amended: 4/20/2023 [html](#) [pdf](#)

Last Amend: 4/20/2023

Status: 9/1/2023-Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 7/10/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	Floor	Desk	Policy	2 year	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Mobilehome Parks Act authorizes any person to file an application with the governing body of a city or county for a conditional use permit for a mobilehome park. The act requires a person, before operating a mobilehome park, and each year thereafter, to obtain a valid permit from the enforcement agency in order to operate the park. The act also requires the owner of a mobilehome park to obtain a permit to create, move, shift, or alter park lot lines. This bill would authorize an owner of an existing mobilehome park that is subject to, or intends to qualify for, a valid permit to operate the park, to apply to the enforcement agency to add additional specified spaces to the mobilehome park not to exceed 10% of the previously approved number of spaces in the mobilehome park, if the owner has not been served with a notice of violation that constitutes an imminent threat to health and safety. The bill would exempt the additional spaces from any business tax, local registration fee, use permit fee, or other fee, except those fees that apply to the existing spaces in the park.

1st House				2nd House				Conc.			

Summary: Current law requires specified designated transportation planning agencies to prepare and adopt a regional transportation plan directed at achieving a coordinated and balanced regional transportation system, as described. Current law requires the plan to include specified information, including a sustainable communities strategy prepared by each metropolitan planning organization, and requires each transportation planning agency to adopt and submit, every 4 years, an updated plan to the California Transportation Commission and the Department of Transportation. Current law requires the sustainable communities strategy to include specified information, including an identification of areas within the region sufficient to house all the population of the region over the course of the planning period of the regional transportation plan, as specified, and an identification of areas within the region sufficient to house an 8-year projection of the regional housing need for the region, as specified. This bill would additionally require each metropolitan planning organization to include in the sustainable communities strategy the total number of new housing units necessary to house all the population of the region over the course of the planning period of the regional transportation plan, as specified, and the total number of new housing units necessary to house the above-described 8-year projection, as specified.

Summary: Current law requires the State Energy Resources Conservation and Development Commission, in consultation with the State Air Resources Board, as part of the development of the investment plan for the Clean Transportation Program, to assess whether charging station infrastructure is disproportionately deployed, as specified, and, upon finding disproportionate deployment, to use moneys from the Alternative and Renewable Fuel and Vehicle Technology Fund, as well as other mechanisms, including incentives, to more proportionately deploy new charging station infrastructure, except as specified. This bill would require, on and after June 1, 2024, owners, operators, and infrastructure developers of electric vehicle charging stations, except for charging stations located at residential dwellings, as defined, for which those parties are awarded a state grant to support the electric vehicle charging stations, including related infrastructure, on or after January 1, 2024, to ensure that specified data fields for the owner's or operator's entire network of electric vehicle charging stations in California are made available, free of charge, to third-party software developers through an application programming interface, as specified. The bill would authorize other owners, operators, and infrastructure developers of electric vehicle charging stations not located at residential dwellings to ensure that those data fields are available to third-party software developers under the same conditions.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Ralph M. Brown Act, requires, with specified exceptions, that all meetings of a legislative body be open and public, and that all persons be permitted to attend unless a closed session is authorized. The act generally requires for teleconferencing that the legislative body of a local agency that elects to use teleconferencing post agendas at all teleconference locations, identify each teleconference location in the notice and agenda of the meeting or proceeding, and have each teleconference location be accessible to the public. Current law also requires that, during the teleconference, at least a quorum of the members of the legislative body participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction. This bill, with respect to those general provisions on teleconferencing, would require a legislative body electing to use teleconferencing to instead post agendas at a singular designated physical meeting location, as defined, rather than at all teleconference locations. The bill would remove the requirements for the legislative body of the local agency to identify each teleconference location in the notice and agenda, that each teleconference location be accessible to the public, and that at least a quorum of the members participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Veterans Housing and Homeless Prevention Act of 2014 requires the California Housing Finance Agency, the Department of Housing and Community Development, and the Department of Veterans Affairs (referred to collectively as "the departments") to establish and implement programs that focus on veterans at risk for homelessness or experiencing temporary or chronic homelessness, as specified. In this regard, current law requires the departments to establish and implement programs that, among other things, ensure projects combine housing and supportive services. Current law requires the departments to ensure at least 50% of funds awarded for capital development are used to provide housing to veterans with extremely low incomes, and requires that at least 60% of units funded targeting extremely low income households are supportive housing. This bill would authorize an entity tasked with making referrals of units targeted to extremely low income households to submit a petition to the departments requesting authority to lease the qualified unit to a secondary tenant, as defined, if a qualified entity is unable to locate, match, or otherwise place a qualified tenant in a qualified unit with 60 days of the unit becoming available. The bill would require a qualified unit that is leased to a secondary tenant to be redesignated to an area median income level commensurate with the income level of the secondary tenant and would require the secondary tenant to pay rent commensurate with their household income's percentage of the area medium income. The bill would, 12 months after a petition is approved, require the next available comparable unit to be rented to a qualified tenant at 30% of the median income.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law establishes, among various other programs intended to address homelessness in this state, the Homeless Housing, Assistance, and Prevention program for the purpose of providing jurisdictions with one-time grant funds to support regional coordination and expand or develop local capacity to address their immediate homelessness challenges informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the

efforts of those individuals and families to maintain their permanent housing. Existing law provides for the allocation of funding under the program among continuums of care, cities, counties, and tribes in 4 rounds, which are to be administered by the Interagency Council on Homelessness. Current law establishes the Encampment Resolution Funding program to assist cities, counties, and continuums of care in ensuring the safety and wellness of people experiencing homelessness in encampments, to provide encampment resolution grants to resolve critical encampment concerns and transition individuals into safe and stable housing, and to encourage a data-informed, coordinated approach to address encampment concerns. Current law requires the California Interagency Council on Homelessness to administer the program in accordance with a specified timeline. Current law establishes the Family Homelessness Challenge Grants and Technical Assistance Program to provide one-time grants and technical assistance to local jurisdictions for the purpose of addressing and ending family homelessness. Existing law requires the California Interagency Council on Homelessness to administer the program. This bill, commencing November 1, 2023, would transfer the duty to administer the 3 above-described programs to the Department of Housing and Community Development. The bill would provide that the department is the successor to, and is vested with, all of the duties, powers, and responsibilities of the council with regard to the programs. The bill would provide that program awards or approvals issued by the council and in effect on October 31, 2023, will be deemed on and after November 1, 2023, to be an award or approval of the department.

Summary: Would, upon appropriation of the Legislature, establish the California Housing Security Program to provide a housing subsidy to eligible persons, as specified, to reduce housing insecurity and help Californians meet their basic housing needs. To create the program, the bill would require the Department of Housing and Community Development to establish a 2-year pilot program in up to 4 counties, as specified. The bill would require the department to issue guidelines to establish the program that include, among other things, the amount of the subsidy that shall be the amount necessary to cover the portion of a person's rent to prevent homelessness, but shall not exceed \$2,000 per month. Under the bill, the subsidy would not be considered income for purposes of determining eligibility or benefits for any other public assistance program, nor would participation in other benefits exclude a person from eligibility for the subsidy. Under the bill, an undocumented person, as specified, who otherwise qualifies for the subsidy would be eligible for the subsidy. The bill would require the department to submit a report on the program to the Legislature, as described.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law establishes a low-income housing tax credit program for which the California Tax Credit Allocation Committee (CTCAC) provides procedures and requirements for the allocation, in modified conformity with federal law, of state insurance, personal income, and corporation tax credit amounts to qualified low-income housing projects that have been allocated, or qualify for, a federal low-income housing tax credit, and farmworker housing. Current law limits the total annual amount of the state low-income housing credit for which a federal low-income housing credit is required to the sum of \$70,000,000, as increased by any percentage increase in the Consumer Price Index for the preceding calendar year, any unused credit for the preceding calendar years, and the amount of housing credit ceiling returned in the calendar year. Current law governing the taxation of insurers, the Personal Income Tax Law, and the Corporation Tax Law provided an allocation of \$500,000,000 for the 2020 calendar year and, for calendar years beginning in 2021, also provides for an additional amount that may be allocated, up to \$500,000,000, to specified low-income housing projects that are new buildings that are federally subsidized, as specified. Current law provides that this additional amount is only available for allocation pursuant to an authorization in the annual Budget Act. Current law requires specified regulatory action by CTCAC aimed at increasing production and containing costs, including a scoring system that maximizes the efficient use of public subsidy and benefit created through the low-income housing tax credit program, as specified. This bill would require CTCAC to consider amending the regulatory scoring system to also award maximum points to farmworker housing projects under the housing needs category, and an initial 5 points in the category for site amenities beyond those required as additional thresholds.

1st House				2nd House				Conc.			

Summary: The Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA), among other things, consolidates the licensure and regulation of commercial medicinal and adult-use cannabis activities. MAUCRSA establishes the Department of Cannabis Control within the Business, Consumer Services, and Housing Agency to administer the act, and requires the department to be under the supervision and control of a director. Under MAUCRSA, a person engaging in commercial cannabis activity without a license is subject to civil penalties, as specified. MAUCRSA requires, in an action for civil penalties brought by the Attorney General, a county counsel, a city attorney, or a city prosecutor, the penalty first be used to reimburse the prosecuting agency for specified costs of bringing the action, with the remainder, if any, to be deposited in the General Fund. This bill would recast those provisions to require, in an action brought by a county counsel, city attorney, or city prosecutor, the penalty first be used to reimburse the prosecuting agency for specified costs in bringing the action, with 50% of the remainder, if any, paid to the county or city, as applicable, and the other 50% to be deposited into the General Fund.

Summary: The California Constitution, with respect to any taxes levied on taxable property in a redevelopment project established under the Community Redevelopment Law, as it then read or may be amended, authorizes the Legislature to provide for the division of those taxes under a redevelopment plan between the taxing agencies and the redevelopment agency, as provided. Current law dissolved redevelopment agencies as of February 1, 2012, and designates successor agencies to act as successor entities to the dissolved redevelopment agencies. This bill, the

Community Redevelopment Law of 2023, would authorize a city or county, or two or more cities acting jointly, to propose the formation of a community and affordable housing reinvestment agency by adoption of a resolution of intention that meets specified requirements, including that the resolution of intention include a passthrough provision and an override passthrough provision, as defined. The bill would require the city or county to submit that resolution to each affected taxing entity and would authorize an entity that receives that resolution to elect to not receive a passthrough payment, as provided. The bill would require the city or county that adopted that resolution to hold a public hearing on the proposal to consider all written and oral objections to the formation, as well as any recommendations of the affected taxing entities, and would authorize that city or county to adopt a resolution of formation at the conclusion of that hearing.

Status: 5/19/2023-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/17/2023)(May be acted upon Jan 2024)

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law vests the Public Utilities Commission (PUC) with regulatory jurisdiction over public utilities, including electrical corporations, while local publicly owned electric utilities are under the direction of their governing board. Under its current regulatory authority, the PUC adopted a resolution establishing, for electrical corporations, an average service energization time for electric vehicle charging infrastructure of 125 business days, except as provided, and requiring electrical corporations to provide certain information to the PUC regarding service energization time for electric vehicle infrastructure projects. This bill would require each electrical corporation, consistent with the commission resolution, to achieve a 125-business-day average service energization target starting from when a customer submits an application for service to the energization of an electric vehicle charging infrastructure project, except as provided. The bill would establish, for local publicly owned electric utilities, an average service energization time for electric vehicle charging infrastructure of 125 business days, and would require local publicly owned electric utilities to annually report certain information to the State Energy Resources Conservation and Development Commission (Energy Commission) regarding the service energization time for electric vehicle charging infrastructure projects.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for the physical development of the county or city and requires that general plan to include, among other mandatory elements, a housing element. Existing law authorizes the Department of Housing and Community Development to notify the office of the Attorney General, that a city, county, or city and county is in violation of state law if the department finds that the housing element or an amendment to the housing element does not substantially comply with specified provisions of the Planning and Zoning Law, or that the local government has taken action or failed to act in violation of specified provisions of law relating to housing, including, among others, the Housing Accountability Act, the Density Bonus Law, and the Housing Crisis Act of 2019. This bill would permit both the department and the office of the Attorney General to intervene as a matter of unconditional right in any legal action addressing a violation of the specified housing laws described above, including, among others, the Housing Accountability Act, the Density Bonus Law, and the Housing Crisis Act of 2019. This bill contains other existing laws.

AB 1488 (Wallis R) California Environmental Quality Act: environmental leadership development projects: water storage, water conveyance, and groundwater recharge projects: streamlined review.

Current Text: Amended: 3/23/2023 [html](#) [pdf](#)

Last Amend: 3/23/2023

Status: 4/28/2023-Failed Deadline pursuant to Rule 61(a)(2). (Last location was NAT. RES. on 3/9/2023)(May be acted upon Jan 2024)

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Jobs and Economic Improvement Through Environmental Leadership Act of 2021 authorizes the Governor, until January 1, 2024, to certify environmental leadership development projects that meet specified requirements for certain streamlining benefits related to CEQA. The act, among other things, requires a lead agency to prepare the record of proceedings for an environmental leadership development project, as provided, and to include a specified notice in the draft EIR and final EIR. The act is repealed by its own term on January 1, 2026. This bill would extend the application of the act to water storage projects, water conveyance projects, and groundwater recharge projects that provide public benefits and drought preparedness. The bill would authorize the Governor, until January 1, 2025, to certify water storage projects, water conveyance projects, and groundwater recharge projects as environmental leadership development projects. The bill would make other conforming changes. Because a lead agency would be required to prepare the record of proceedings for water storage projects, water conveyance projects, and groundwater recharge projects pursuant to the act, this bill would impose a state-mandated local program.

AB 1490 (Lee D) Affordable housing development projects: adaptive reuse.

Current Text: Enrollment: 9/13/2023 [html](#) [pdf](#)

Last Amend: 7/10/2023

Status: 9/13/2023-Senate amendments concurred in. To Engrossing and Enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Under this bill, a housing development that is, among other requirements, an extremely affordable adaptive reuse project on an infill parcel that is not located on or adjoined to a site where more than 1/3 of the square footage on the site is dedicated to industrial use, as specified, would be an allowable use. The bill would authorize a local agency to impose objective design review standards, except as specified. The bill would authorize a local agency to deny the project if it is proposed to be located on a site or adjoined to any site where any of the square footage on the site is dedicated to industrial use and the local agency makes written findings that approving the development would have an adverse effect on public health and safety. The bill would provide that for purposes of the Housing Accountability Act, a proposed housing development project is consistent, compliant, and in conformity with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision if the housing development project is consistent with the standards specified in these provisions. The bill would require a local agency to determine whether the proposed development meets those standards within specified timeframes. The bill would define an "extremely affordable adaptive reuse project" for these purposes to mean a multifamily housing development project that involves retrofitting and repurposing of a residential or commercial building that currently allows temporary dwelling or occupancy, and that meets specified affordability requirements, including that 100% of the units be dedicated to lower income households, 50% of which shall be dedicated to very low income households, as specified. Because the bill would require local officials to provide a higher level of service, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

1st House				2nd House				Conc.			

Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. This bill would make nonsubstantive changes to the above provision. This bill contains other existing laws.

AB 1492 (Alvarez D) Property taxation: welfare exemption: nonprofit corporation: affordable housing

cost.

Current Text: Amended: 3/23/2023 [html](#) [pdf](#)

Last Amend: 3/23/2023

Status: 3/27/2023-Re-referred to Com. on REV. & TAX. Re-referred to Coms. on H. & C.D. and REV. & TAX. pursuant to Assembly Rule 96.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current property tax law, in accordance with the California Constitution, provides for a "welfare exemption" for property used exclusively for religious, hospital, scientific, or charitable purposes and that is owned or operated by certain types of nonprofit entities, if certain qualifying criteria are met. Current property tax law states that property is within that welfare exemption if the property is owned and operated by a nonprofit corporation, otherwise qualifying for the welfare exemption, that is organized and operated for the specific and primary purpose of building and rehabilitating single or multifamily residences for sale at cost to low-income families, with financing in the form of a zero interest rate loan and without regard to religion, race, national origin, or the sex of the head of household. This bill would provide, for property tax lien dates occurring on or after January 1, 2024, that property is exempt from taxation and is within the welfare exemption if that property is owned and operated by a nonprofit corporation, as described, that is organized and operated for the specific and primary purpose of building or rehabilitating residential units for sale or rent at an affordable cost and if at least one residential unit on the property is subject to an agreement that requires the unit to be made available at an affordable cost to buyers or renters and is recorded with the appropriate local agency.

AB 1504 (McCarty D) Planning and zoning: electric vehicle charging infrastructure: public right-of-way.

Current Text: Amended: 4/11/2023 [html](#) [pdf](#)

Last Amend: 4/11/2023

Status: 5/19/2023-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/17/2023)(May be acted upon Jan 2024)

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law requires every city, county, and city and county to administratively approve an application to install electric vehicle charging stations and hydrogen-fueling stations through the issuance of a building permit or similar nondiscretionary permit and requires the review of an application to install an electric vehicle charging station or a hydrogen-fueling station to be limited to the building official's review of whether it meets all health and safety requirements of local, state, and federal law. Current law prohibits a city, county, or city and county from denying an application for a use permit to install an electric vehicle charging station or a hydrogen-fueling station unless it makes written findings that the proposed installation would have a specific, adverse impact upon the public health or safety, and there is no feasible method to satisfactorily mitigate or avoid the specific, adverse impact. Current law requires that any conditions imposed on an application to install an electric vehicle charging station or a hydrogen-fueling station be designed to mitigate the specific, adverse impact upon the public health or safety at the lowest cost possible. Current law defines "electric vehicle charging station" or "charging station" for these purposes. Existing law repeals these provisions as they pertain to hydrogen-fueling stations on January 1, 2030. This bill would provide that the provisions described above do not apply to applications to install an electric vehicle charging station or hydrogen-fueling station in a public right-of-way.

AB 1505 (Rodriguez D) Seismic retrofitting: soft story multifamily housing.

Current Text: Amended: 7/3/2023 [html](#) [pdf](#)

Last Amend: 7/3/2023

Status: 9/14/2023-Ordered to inactive file at the request of Senator McGuire.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law establishes the Seismic Retrofitting Program for Soft Story Multifamily Housing for the purposes of providing financial assistance to owners of soft story multifamily housing for seismic retrofitting to protect individuals living in multifamily housing that have been determined to be at risk of collapse in earthquakes, as specified. Current law also establishes the Seismic Retrofitting Program for Soft Story Multifamily Housing Fund, and its subsidiary account, the Seismic Retrofitting Account, within the State Treasury. Current law provides that the Legislature will appropriate \$250,000,000 from the General Fund in the 2023–24 Budget Act to the Seismic Retrofitting Program for Soft Story Multifamily Housing Fund for the purposes of carrying out the program. Current law requires the CRMP to develop and administer the program, as specified. Existing law makes these provisions inoperative on July 1, 2042, and repeals them as of January 1, 2043. Current federal law, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, establishes various grant opportunities, including the Hazard Mitigation Grant Program and Building Resilient Infrastructure and Communities grant program, to support hazard mitigation projects. This bill would remove the requirement for the Legislature to appropriate \$250,000,000 from the General Fund in the 2023–24 Budget Act to the Seismic Retrofitting Program for Soft Story Multifamily Housing Fund. The bill would authorize the Office of Emergency Services to dedicate federal Hazard Mitigation Grant Program and Building Resilient Infrastructure and Communities application funding to specified projects to augment and support the Seismic Retrofitting Program for Soft Story Multifamily Housing.

1st House				2nd House							

Summary: Current law establishes the California Statewide Housing Plan to serve as a state housing plan for all relevant purposes. Current law requires that the plan incorporate, among other things, a statement of housing goals, policies, and objectives, and requires the Department of Housing and Community Development (department) to update and provide a revision of the plan to the Legislature every 4 years, as specified. Current law requires each update and revision to the plan occurring on or after January 1, 2023, to include an inventory of the number of affordable units needed to meet the state's affordable housing needs for the plan period and to incorporate technical updates and provide technical recommendations, as specified. This bill would require each update and revision to the plan to also include (1) an analysis of first-time home buyer assistance policies, goals, and objectives; (2) recommendations for actions that will contribute to increasing homeownership opportunities for first-time home buyers in California; and (3) an evaluation and summary of demographic disparities in homeownership attainment in California, as specified.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Planning and Zoning Law requires the legislative body of each county and city to adopt a comprehensive, long-term general plan for the physical development of the county or city that includes, among other mandatory elements, a housing element. Under that law, supportive housing,

as defined, is a use by right in zones where multifamily and mixed uses are permitted if the developer provides the planning agency with a plan for providing supportive services and the proposed housing development meets specified criteria. This bill would make an office conversion project, as defined, that meets certain requirements a use by right in all areas regardless of zoning. The bill would define "office conversion project" to mean the conversion of a building used for office purposes or a vacant office building into residential dwelling units. The bill would define "use by right" to mean that the city or county's review of the office conversion may not require a conditional use permit, planned unit development permit, or other discretionary city or county review or approval that would constitute a "project" for purposes of the California Environmental Quality Act, as specified.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current property tax law requires that all property subject to tax be assessed at its full cash value, and includes certain possessory interests among those property interests that are subject to tax. Current property tax law defines a taxable possessory interest to be a use that is independent, durable, and exclusive. Current property tax law specifies that, for purposes of the definition of a taxable possessory interest, a possession or use is not independent if it is pursuant to a contract that includes, but is not limited to, a long-term lease for the private construction, renovation, rehabilitation, replacement, management, or maintenance of housing for active duty military personnel and their dependents, if specified criteria are met. This bill would provide that there is no independent possession or use of land or improvements if the possession or use is for a tenancy, as defined, in a residential unit, as defined, in a publicly owned housing project, as defined, is part of a governmental assistance program, and directly fulfills the governmental, public purpose of providing the housing, as described in the governmental assistance program.

1st House				2nd House							

Summary: Existing law requires the Governor to establish the Interagency Council on Homelessness, and requires the council to have specified goals, including, to identify mainstream resources, benefits, and services that can be accessed to prevent and end homelessness in California, and to report to the Governor, federal Cabinet members, and the Legislature on homelessness and work to reduce homelessness. This bill would require the council to report annually to the Governor, federal Cabinet

members, and the Legislature, commencing June 30, 2026, on homelessness and work to reduce homelessness, and would require the report to include the cost per person and distribution of funding within United States Department of Housing and Urban Development's Continuum of Care program by city and census-designated area.

Status: 9/11/2023-Senate amendments concurred in. To Engrossing and Enrolling. (Ayes 58. Noes 17.).

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Costa-Hawkins Rental Housing Act authorizes an owner of residential real property to establish the initial and subsequent rental rates for a dwelling or unit with respect to which certain criteria are met, including that the dwelling or unit is alienable separate from the title to any other dwelling unit or is a subdivided interest in a subdivision, as specified. The act exempts certain tenancies and dwelling units from these provisions, including a unit where the previous tenancy been terminated by the owner pursuant to specified law. This bill would authorize a jurisdiction to require the owner of a residential real property that is subject to an ordinance or charter provision that controls the rental rate to permit a tenant who is not subject to eviction for nonpayment and who has a permanent physical disability related to mobility to move to an available comparable or smaller unit, as defined, located on an accessible floor of the property if certain conditions are met.

1st House				2nd House							

Summary: Would enact The Student Housing Crisis Act of 2023. The bill would require a city, county, or city and county to classify student and faculty and staff housing as a permitted use on all real property within 1,000 feet of a university campus, as defined, for zoning purposes. The bill would require a proposed student or faculty and staff housing project, as defined, to be considered ministerially, without discretionary review or a hearing, if specified requirements are met, including that a minimum of 20% of the units in the project be rented by students or faculty and staff of the university. The bill would prohibit a local agency from imposing or enforcing on a student or faculty and staff housing project subject to ministerial consideration certain restrictions, including a minimum automobile parking requirement. The bill would require student or faculty and staff housing to have certain recorded deed restrictions, except as provided, that ensure for at least 55 years that, among other things, at least 20% of the units are affordable to lower income households, as defined, except as provided. In connection with an application submitted pursuant to these provisions, the bill would require a city, county, or city and county to take specified actions, including, upon the request of the applicant, provide a list of permits and fees that are required by the city, county, or city and county. By imposing new duties on local jurisdictions, this bill would impose a state-mandated local program.

AB 1631 (Schiavo D) Water resources: permit to appropriate: application procedure: mining use.**Current Text:** Enrollment: 9/13/2023 [html](#) [pdf](#)**Status:** 9/13/2023-Enrolled and presented to the Governor at 3 p.m.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Under existing law, the State Water Resources Control Board administers a water rights program pursuant to which the board grants permits and licenses to appropriate water. Existing law requires an application for a permit to appropriate water to include, among other things, sufficient information to demonstrate a reasonable likelihood that unappropriated water is available for the proposed appropriation. Existing law requires the board to issue and deliver a notice of an application as soon as practicable after the receipt of an application for a permit to appropriate water that conforms to the law. Existing law allows interested persons to file a written protest with regard to an application to appropriate water and requires the protestant to set forth the objections to the application. Existing law declares that no hearing is necessary to issue a permit in connection with an unprotested application, or if the undisputed facts support the issuance of the permit and there is no disputed issue of material fact, unless the board elects to hold a hearing. This bill, if the board has not rendered a final determination on an application for a permit to appropriate water for a beneficial use or uses that include mining use within 30 years from the date the application was filed, would require the board to issue a new notice and provide an opportunity for protests before rendering a final determination, with specified exceptions.

AB 1633 (Ting D) Housing Accountability Act: disapprovals: California Environmental Quality Act.**Current Text:** Enrollment: 9/13/2023 [html](#) [pdf](#)**Last Amend:** 9/8/2023**Status:** 9/13/2023-Read third time. Passed. Ordered to the Assembly. (Ayes 21. Noes 3.). In Assembly. Concurrence in Senate amendments pending. Assembly Rule 63 suspended. Senate amendments concurred in. To Engrossing and Enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law, the Housing Accountability Act, prohibits a local agency from disapproving a housing development project, as described, unless it makes certain written findings based on a preponderance of the evidence in the record. The act defines "disapprove the housing development project" as including any instance in which a local agency either votes and disapproves a proposed housing development project application, including any required land use approvals or entitlements necessary for the issuance of a building permit, or fails to comply with specified time periods. Existing law, the California Environmental Quality Act (CEQA), requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that the lead agency proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if the lead agency finds that the project will not have that effect. This bill, until January 1, 2031, would define "disapprove the housing development project" as also including any instance in which a local agency fails to make a determination of whether the

project is exempt from CEQA or commits an abuse of discretion, as specified, or fails to adopt a negative declaration or addendum for the project, to certify an environmental impact report for the project, or to approve another comparable environmental document, if certain conditions are satisfied. Among other conditions, the bill would require a housing development project subject to these provisions to be located on a legal parcel or parcels within an urbanized area and to meet one or more of specified criteria, and to meet or exceed 15 dwelling units per acre. By imposing additional duties on local officials, the bill would create a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: Current law authorizes the legislative body of a local agency, as defined, to make, by ordinance, any violation of an ordinance subject to an administrative fine or penalty, as specified. Current law requires the ordinance adopted by the local agency to provide for a reasonable period of time, as specified in the ordinance, for a person responsible for a continuing violation to correct or otherwise remedy the violation prior to the imposition of administrative fines or penalties, when the violation pertains to building, plumbing, electrical, or other similar structural or zoning issues that do not create an immediate danger to health or safety. Current law authorizes the ordinance to provide for the immediate imposition of administrative fines or penalties for the violation of building, plumbing, electrical, or other similar structural, health and safety, or zoning requirements if the violation exists as a result of, or to facilitate, the illegal cultivation of cannabis, except as specified. This bill would expand the authorization for an ordinance providing for the immediate imposition of administrative fines or penalties to include all unlicensed commercial cannabis activity, including cultivation, manufacturing, processing, distribution, or retail sale of cannabis, and would authorize the ordinance to declare unlicensed commercial cannabis activity a public nuisance. The bill would prohibit the ordinance from imposing an administrative fine or penalty exceeding \$1,000 per violation or \$10,000 per day.

1st House				2nd House							

Summary: Existing law requires land to be declared surplus land or exempt surplus land, as supported by written findings, before a local agency takes any action to dispose of it consistent with the agency's policies or procedures. Existing law sets forth procedures for the disposal of surplus land, including, but not limited to, specified notice requirements, and provides that these procedures do not apply to exempt surplus land. This bill, until January 1, 2034, would specify that land disposed of by a city with a population exceeding 2,500,000 for certain purposes, including low barrier navigation centers, supportive housing, transitional housing for youth and young adults, or affordable housing, as described, is not subject to the above-described requirements, if the city meets certain prescribed requirements and specified construction or development work meets prescribed requirements. The bill would require a city that disposes of land pursuant to these provisions to include prescribed information in a specified annual report. The bill would make a local agency that disposes of land in violation of these provisions liable for a civil penalty, as specified.

1st House				2nd House							

Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA does not apply to the approval of ministerial projects. This bill would authorize an entity to submit an application for a health facility that will provide reproductive health services if the proposed health facility meets certain requirements, including, among others, that the proposed health facility is located on a legal parcel or group of parcels that is more than 50 miles from the nearest health facility that provides reproductive health services. The bill would make the licensed health facility subject to a streamlined ministerial review process and a use by right, thereby exempting the approval of development projects subject to that approval process from CEQA.

(Committee on Local Government) Local government: reorganization.

Current Text: Chaptered: 6/29/2023 [html](#) [pdf](#)

Status: 6/29/2023-Approved by the Governor. Chaptered by Secretary of State - Chapter 25, Statutes of 2023.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides the sole and exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts. The act requires a petitioner or legislative body desiring to initiate proceedings for a change of organization or reorganization to submit an application to the executive officer of the principal county. The act specifies when an application is complete and acceptable for filing, and requires the executive officer to immediately issue a certificate of filing when an application is accepted for filing, as specified. Upon the filing of an application or a resolution pursuant to the act, but prior to the issuance of a certificate of filing, current law requires the executive officer to give notice of the filing to the assessor and auditor of each county within which the territory subject to the jurisdiction change is located, as specified. Current law prohibits the executive officer from issuing a certificate pursuant to the provisions described above until resolutions are adopted by specified counties and cities in which they agree to accept the exchange of property tax revenues. Current law authorizes a county and any local agency within the county to develop and adopt a master property tax transfer agreement, as specified. This bill would, if applicable, prohibit the executive officer from accepting for filing an application for change or organization or reorganization and issuing a certificate of filing pursuant to the provisions described above, and would provide that an application is not deemed accepted for filing pursuant to the provisions described above, if an agreement for the exchange of property tax revenues has not been adopted pursuant to the provisions described above.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law makes the State Emergency Plan in effect in each political subdivision of the state, and requires the governing body of each political subdivision to take necessary actions to carry out its provisions. Current law requires the Governor to coordinate the State Emergency Plan and those programs necessary for the mitigation of the effects of an emergency in this state and to coordinate the preparation of plans and programs for the mitigation of the effects of an emergency by the political subdivisions of this state, which are to be integrated into and coordinated with the State Emergency Plan and the plans and programs of the federal government and of other states to the fullest possible extent. Current law establishes the Office of Emergency Services and makes the office responsible for the state's emergency and disaster response services for natural, technological, or man-made disasters and emergencies, including responsibility for activities necessary to prevent, respond to, recover from, and mitigate the effects of emergencies and disasters on people and property. Current law requires the office to update the State Emergency Plan on or before January 1, 2019, and every 5 years thereafter. This bill would require the office, in consultation with the Strategic Growth Council and CaliforniaVolunteers, to develop an extreme heat preparedness and response plan. The bill would require the plan to be an annex to the State Emergency Plan by January 1, 2025.

1st House				2nd House				Conc.			

Summary: The California Constitution prohibits the ad valorem tax rate on real property from exceeding 1% of the full cash value of the property, subject to certain exceptions. This measure would create an additional exception to the 1% limit that would authorize a city, county, city and county, or special district to levy an ad valorem tax to service bonded indebtedness incurred to fund the construction, reconstruction, rehabilitation, or replacement of public infrastructure, affordable housing, including downpayment assistance, or permanent supportive housing, or the acquisition or lease of real property for those purposes, if the proposition proposing that tax is approved by 55% of the voters of the city, county, city and county, or special district, as applicable, and the proposition includes specified accountability requirements. The measure would prohibit a city, county, city and county, or special district from placing a proposition on the ballot pursuant to these provisions if the voters have previously approved a proposition pursuant to these provisions or the below special tax provisions until all funds from the previous proposition are committed to programs and projects listed in the specific local program or ordinance, as described. The measure, subject to certain vote thresholds, would authorize the Legislature to enact laws establishing additional accountability measures and laws for the downpayment assistance programs authorized by the measure, as specified.

Summary: Current law, the Zenovich-Moscone-Chacon Housing and Home Finance Act, establishes the California Tax Credit Allocation Committee within the Department of Housing and Community Development. Current law requires the committee to allocate state low-income housing tax credits in conformity with state and federal law that establishes a maximum rent that may be charged to a tenant for a project unit constructed using low-income housing tax credits. The bill would define various terms for these purposes. Among other things, the bill would require that 100% of the units, exclusive of manager units, in a housing development project eligible for approval as a use by right under these provisions be affordable to lower income households, except that 20% of the units may be for moderate-income households, and 5% of the units may be for staff of the independent institution of higher education or the religious institution that owns the land, provided that the units affordable to lower income households are offered at affordable rent, as set in an amount consistent with the rent limits established by the California Tax Credit Allocation Committee, or affordable housing cost, as specified. The bill would authorize the development to include ancillary uses on the ground floor of the development, as specified.

Summary: Would, by January 1, 2030, require each city and county to provide housing opportunities, as defined, for homeless individuals within its jurisdiction, based on their most recent point-in-time count. The bill would require each city and county to develop a housing obligation plan that describes how the city or county plans to increase housing opportunities in its jurisdiction so that it can offer at least one housing opportunity to each homeless individual, as specified. In this regard, the bill would require a housing obligation plan to include, among other things, goals and plans to fulfill the city or county's housing obligation, including specific projects and completion timelines, and the city or county's progress in reducing the number of homeless individuals in its jurisdiction. The bill would require a housing obligation plan to identify steps taken by the city or county to consult with other jurisdictions to ensure that the plan is consistent with regional homelessness planning efforts. The bill would require a city or county to submit its housing obligation plan to the Department of Housing and Community Development for review and post the plan to its internet website by January 1, 2025. The bill would require a city or county to update its housing obligation plan on or before January 1 of each subsequent year.

Current Text: Enrollment: 9/14/2023 [html](#) [pdf](#)

Last Amend: 9/8/2023

Status: 9/14/2023-Urgency clause adopted. Assembly amendments concurred in. (Ayes 40. Noes 0.) Ordered to engrossing and enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: (1)Existing law, the Community Assistance, Recovery, and Empowerment (CARE) Act, authorizes specified adult persons to petition a civil court to create a voluntary CARE agreement or a court-ordered CARE plan and implement services, to be provided by county behavioral health agencies, to provide behavioral health care, including stabilization medication, housing, and other enumerated services, to adults who are currently experiencing a severe mental illness and have a diagnosis identified in the disorder class schizophrenia and other psychotic disorders, and who meet other specified criteria. Existing law requires all evaluations and reports, documents, and filings submitted to the court under CARE proceedings be kept confidential. This bill would authorize CARE Act proceedings to be conducted by a superior court judge or by a court-appointed commissioner or other subordinate judicial officer. The bill would require that there is no fee for filing a petition nor any fees charged by any public officer for services in filing or serving papers or for the performance of any duty enjoined by the CARE Act. The bill would authorize that the respondent is entitled to have an interpreter in all proceedings if necessary for the respondent's full participation. This bill would require county behavioral health agencies to provide health information necessary to support findings in the filings to the court, as specified, and would exempt counties and their employees from civil or criminal liability for disclosure under these provisions. By increasing the reporting duties on county behavioral health agencies, this bill would create a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: Current law establishes various programs to address homelessness, including requiring the Governor to create an Interagency Council on Homelessness and establishing the Homeless

Emergency Aid program for the purpose of providing localities with one-time grant funds to address their immediate homelessness challenges, as specified. Current law commits to the Department of Housing and Community Development the administration of various housing assistance programs, including provisions relating to residential hotel rehabilitation and tasks the department, in consultation with each council of governments, with the determination of each region's existing and projected housing need. This bill would, upon an appropriation by the Legislature for this express purpose, require the Department of Housing and Community Development, commencing January 1, 2024, to begin developing the Older Adults and Adults with Disabilities Housing Stability Program.

Summary: Current law requires each utility to maintain records of the energy usage data of all buildings to which they provide service for at least the most recent 12 complete calendar months, and to deliver or otherwise provide that aggregated energy usage data for each covered building, as defined, to the owner, as specified. Current law requires the State Energy Resources Conservation and Development Commission (Energy Commission) to adopt regulations providing for the delivery to the Energy Commission and public disclosure of benchmarking of energy use for covered buildings, and specifies that this requirement does not require the owner of a building with 16 or fewer residential utility accounts to collect or deliver energy usage information to the Energy Commission. This bill would additionally specify that the requirement does not require the owner of a building with less than 50,000 square feet of gross floor space to collect or deliver energy usage information to the Energy Commission.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
								Conc.			
1st House				2nd House							

Summary: The California Environmental Quality Act (CEQA) requires a local agency that approves or determines to carry out a project subject to CEQA to file a notice of determination with the county clerk of each county in which the project will be located, as provided. CEQA authorizes a local agency that determines that a project is not subject to CEQA to file a notice of exemption with the county clerk of each county in which the project will be located, as provided. CEQA requires the county clerk to make the notice available for public inspection and post the notice within 24 hours of receipt in the office or on the internet website of the county clerk, as specified. CEQA requires an action or proceeding challenging an act or decision of a public agency, including a local agency, on the grounds of

noncompliance with CEQA to be commenced within certain time periods, as specified. This bill would require a local agency to file a notice of determination with the State Clearinghouse in the Office of Planning and Research in addition to the county clerk of each county in which the project will be located. The bill would authorize a local agency to file a notice of exemption with the State Clearinghouse in the Office of Planning and Research in addition to the county clerk of each county in which the project will be located. The bill would require the notice, including any subsequent or amended notice, to be posted both in the office and on the internet website of the county clerk and by the Office of Planning and Research on the State Clearinghouse internet website within 24 hours of receipt. The bill would specify that the posting of the notice by the Office of Planning and Research would not affect the applicable time periods to challenge an act or decision of a local agency, as described above.

Summary: Current law authorizes the Public Utilities Commission to establish an expedited distribution grid interconnection dispute resolution process with the goal of resolving disputes over interconnection applications within the jurisdiction of the commission in no more than 60 days from the time the dispute is formally brought to the commission. This bill would require the commission, on or before September 30, 2024, to establish maximum energization time periods by when an electrical corporation would be required to energize a development project, including the maximum time period for the energization ready phase of a project. The bill would require an electrical corporation to energize a development project with the electrical corporation's electrical distribution grid within the maximum energization time period established by the commission, after receiving a notification from a development project applicant that the development project is energization ready, as defined. The bill would specify that the maximum energization time period established by the commission does not apply if an issue specific to the development project or the project site arises that would prevent the electrical corporation from safely completing the energization within that time period and would require the electrical corporation to work with the development project applicant to establish an alternative time period.

Summary: Current law creates the Enhanced Fleet Modernization Program to provide compensation for the retirement and replacement of passenger vehicles and light-duty and medium-duty trucks that are high polluters. Existing law requires the Bureau of Automotive Repair to administer the program and the State Air Resources Board to adopt the guidelines for the program. Current law requires the guidelines to ensure vehicle replacement or a mobility option be an option for all motor vehicle owners and may be in addition to compensation for vehicles retired. Current law creates the Enhanced Fleet Modernization Subaccount in the High Polluter Repair or Removal Account and makes available, upon appropriation, all moneys in the account to establish, implement, and administer the program. This bill would require the guidelines to ensure each replacement vehicle in the program be either a plug-in hybrid or zero-emission vehicle unless the state board makes a specified determination in consultation with the State Energy Resources Conservation and Development Commission, as specified.

1st House				2nd House				Conc.			

Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. Current law, until January 1, 2025, exempts from CEQA projects related to the conversion of a structure with a certificate of occupancy as a motel, hotel, residential hotel, or hostel to supportive or transitional housing, as defined, that meet certain conditions. This bill would extend indefinitely the above exemption.

1st House				2nd House				Conc.			

Summary: The Sales and Use Tax Law (SUT) imposes certain sales and use taxes for the privilege of selling tangible personal property at retail. The SUT requires all fees, taxes, interest, and penalties imposed and all amounts of tax required to be paid to the state under the SUT be paid to the California Department of Tax and Fee Administration in the form of remittances payable to the department. This bill, the Historic Venue Restoration and Resiliency Act, would, until July 1, 2030, require a return filed with the department to report gross receipts for sales tax purposes to segregate the taxable sales on a line or a separate form, as prescribed by the department, if the place of sale in this state is on or within the real property of a confirmed historic venue on the day of a qualified event and would require the department to report the amount of the total gross receipts segregated on the returns filed for the prior fiscal year to the Department of Finance on or before November 1 of each year, as prescribed. The bill would define "qualified event" to mean a live event at a confirmed historic venue to which tickets are offered for public sale and would define "historic venue" to mean a venue in the state that meets certain criteria, including that the venue contains a structure built before 1940, contains a structure officially designated by the United States National Park Service or the United States Department of the Interior as a National Historic Landmark, or is located at a site continuously used for live, ticketed events for more than 50 years. The bill would create the Historic Venue Restoration and Resiliency Fund and would continuously appropriate the moneys in the fund for transmission by the Controller to cities and counties with historic venues, as specified. The bill would require an amount equal to 5% of the total amount of gross receipts, or adjusted gross receipts, for the prior fiscal year reported to the Department of Finance by the department to be included in the

next annual Governor's Budget for deposit into the fund.

Summary: (1) Existing law establishes the Transportation Agency, which consists of various departments and state entities, including the California Transportation Commission and the Department of Transportation. Under existing law, the agency is under the supervision of an executive officer known as the Secretary of Transportation, who is required to develop and report to the Governor on legislative, budgetary, and administrative programs to accomplish comprehensive, long-range, and coordinated planning and policy formulation in the matters of public interest related to the agency. This bill would require the agency, on or before January 1, 2024, to establish and convene the Transit Transformation Task Force to include representatives from the department, various local agencies, academic institutions, nongovernmental organizations, and other stakeholders. The bill would require the task force to solicit and develop a structured, coordinated process for engagement of all parties to develop policy recommendations to grow transit ridership and improve the transit experience for all users of those services. The bill would require the agency, in consultation with the task force, to prepare and submit a report of findings and policy recommendations based on the task

force's efforts to the appropriate policy and fiscal committees of the Legislature on or before October 31, 2025. The bill would require the report to include a detailed analysis of specified issues and recommendations on specified topics, including, among others, reforming the Transportation Development Act. The bill would repeal these provisions on January 1, 2028. This bill contains other related provisions and other existing laws.

Summary: Existing law authorizes the Secretary of Transportation to assume the responsibilities of the United States Secretary of Transportation under the federal National Environmental Policy Act of 1969 (NEPA) and other federal environmental laws for any railroad, public transportation, or multimodal project undertaken by state agencies, as specified. Existing law provides that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of these responsibilities. Existing law repeals these provisions on January 1, 2025. This bill would extend the above authorization to December 31, 2033. The bill would additionally authorize the Secretary of Transportation, consistent with, and subject to the requirements of, any memorandum of understanding between the state and federal government and upon the request of a local or regional agency with the authority to implement transportation projects, to assume responsibilities under the NEPA and other federal environmental laws for any railroad, local public transportation, or multimodal project implemented by the requesting local or regional agency. The bill would impose terms and conditions similar to those with respect to the above-described authority to assume those responsibilities for projects undertaken by state agencies, including providing consent for the jurisdiction of the federal courts, as provided. The bill would require the secretary to report to the transportation policy committees of the Legislature regarding the assumption of responsibilities under the NEPA requested by a local or regional agency by December 31, 2033.

Summary: The California Endangered Species Act (CESA) requires the Fish and Game Commission to establish a list of endangered species and a list of threatened species and to add or remove species from either list if it finds, upon the receipt of sufficient scientific information, as specified, that the action is warranted. The act prohibits the taking of an endangered or threatened species, except in certain situations, including, if specified conditions are met, through the issuance of a permit commonly known as an incidental take permit. This bill would, until December 31, 2033, authorize the Department of Fish and Wildlife to issue a permit under CESA that would authorize the take of a fully protected species resulting from impacts attributable to the implementation of specified projects if certain conditions are satisfied, including, among others, the conditions required for the issuance of an incidental take permit. The bill would require the department to develop a plan on or before July 1, 2024, to assess the population status of each fully protected species.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA provides that, in certain specified actions or proceedings, the plaintiff or petitioner may elect to prepare the record of proceedings, subject to certification of its accuracy by the public agency. CEQA requires that a copy of the certified record of proceedings be lodged with the court. This bill would authorize the public agency to deny the request of the plaintiff or petitioner to prepare the record of proceedings, as provided, in which case the bill would require the public agency or the real party in interest to bear the costs of preparation and certification of the record of proceedings and would prohibit the recovery of those costs from the plaintiff or petitioner. The bill would require the court to schedule a case management conference within 30 days of the filing of an action to review the scope, timing, and cost of the record of proceedings.

Summary: Existing law establishes the Department of Transportation in the Transportation Agency. Existing law establishes the California Workforce Development Board as the body responsible for assisting the Governor in the development, oversight, and continuous improvement of California's workforce investment system and the alignment of the education and workforce investment systems to the needs of the 21st century economy and workforce. Under existing law, the California Workforce Development Board assists the Governor in the administration, promotion, and expansion of high road construction careers. This bill would require the Department of Transportation to work in partnership with the California Workforce Development Board to support California's high road construction careers program. The bill would require the department to reserve a minimum aggregate total of \$50,000,000 of federal funds from the federal Infrastructure Investment and Jobs Act to be allocated over 4 years to support the program.

1st House				2nd House							

Summary: Current law, upon appropriation, authorizes the Department of Housing and Community Development to make either or both loans and grants to rehabilitate, capitalize operating subsidy reserves for, and extend the long-term affordability of department-funded housing projects that have an affordability restriction that has expired, that have an affordability restriction with a remaining term of less than 10 years, or are otherwise at risk for conversion, as provided. This bill would establish the Community Anti-Displacement and Preservation Program for purposes of funding the acquisition and rehabilitation of unrestricted housing units, as defined, and attaching long-term affordability restrictions on the housing units, while safeguarding against the displacement of current residents. The bill would require the department to issue a request for qualification to select a private sector

entity or consortium to manage the program for a period of 5 years. The bill would require the program manager to make loans to eligible borrowers, as defined, based on underwriting guidelines approved by the department. The bill would authorize the department to issue grants or loans from program funds to local public entities upon request for purposes of allowing the local public entity to use the moneys to issue loans to eligible borrowers within its jurisdiction in accordance with the bill's provisions and department regulations.

1st House				2nd House							

Summary: The California Environmental Quality Act (CEQA) requires a court, in an action or proceeding brought challenging any determination, finding, or decision of a public agency on the grounds of noncompliance with CEQA and a finding by the court of such noncompliance, to enter an order that includes one or more of specified mandates, one of which may be a mandate to suspend any or all specific project activity or activities, as provided. CEQA provides that, except as otherwise specified, it is not intended to limit the equitable powers of the courts. This bill would limit the standing to file and maintain the above action or proceeding to the Attorney General. The bill would authorize the court, upon its own motion or of a party, to conduct a hearing to determine if the Attorney General is bringing and maintaining an action or proceeding for nonenvironmental purposes, as defined. If the court determines that the action is brought or maintained for nonenvironmental purposes, the bill would authorize the court to take necessary actions, including the dismissal of the action or proceeding, award of attorneys' fees, or both dismissal and award.

1st House				2nd House							

Summary: Current law requires a local agency or nonprofit affordable housing sponsor to satisfy certain requirements to be considered as a potential priority buyer of surplus state real property, including that the local agency or nonprofit affordable housing sponsor demonstrate, to the satisfaction of the department, that the surplus state real property, or portion of that surplus state real property, is to be used by the local agency or nonprofit affordable housing sponsor for open space, public parks, affordable housing projects, or development of local government-owned facilities. Current law authorizes the Department of General Services to sell surplus state real property, or a portion of surplus state real property, to a local agency, or to a nonprofit affordable housing sponsor if no local agency is interested in the surplus state real property, for affordable housing projects at a sales price less than fair market value if the department determines that such a discount will enable the provision of housing for persons and families of low or moderate income. This bill would additionally authorize a local agency or nonprofit affordable housing sponsor to be considered as a potential priority buyer of surplus state real property upon demonstration that the property is to be used by the agency or sponsor for housing for formerly incarcerated individuals, subject to the same provisions described above, as specified.

Status: 5/19/2023-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/8/2023)(May be acted upon Jan 2024)

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Administrative Procedure Act requires every agency subject to the act to submit to the Office of Administrative Law a notice of proposed action and to make available to the public a copy of an initial statement of reasons for the regulation. Current law additionally requires a state agency proposing to adopt, amend, or repeal an administrative regulation to assess the potential for adverse economic impact on California business enterprises and individuals, as specified. Each state agency proposing to adopt, amend, or repeal a major regulation on or after November 1, 2013, is also required to prepare a standardized regulatory impact analysis addressing various additional factors. Current law generally defines a "major regulation" for these purposes to mean the proposed adoption, amendment, or repeal of a regulation will have an economic impact on California business enterprises and individuals in an amount exceeding \$50,000,000, as estimated by the agency. This bill would require a state agency to provide a minimum 21-day public comment period for purposes of determining whether the proposed adoption, amendment, or repeal of a regulation would be a "major regulation" that requires a standardized regulatory impact analysis.

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA) establishes the Department of Cannabis Control within the Business, Consumer Services, and Housing Agency to administer the act. MAUCRSA does not supersede or limit the authority of a local jurisdiction to adopt and enforce local ordinances to regulate commercial cannabis businesses within that local jurisdiction. Current law authorizes a local jurisdiction to allow for the smoking, vaporizing, and ingesting of cannabis or cannabis products on the premises of a licensed retailer or microbusiness, subject to specified restrictions. Current administrative law specifies that a licensed retailer or licensed microbusiness authorized for retail sales who operates a consumption area on the licensed premises in accordance with this provision may also sell prepackaged, noncannabis-infused, nonalcoholic food and beverages if the applicable local jurisdiction allows. This bill, subject to the specified restrictions referenced above, would authorize a local jurisdiction to allow for the preparation or sale of noncannabis food or beverage products, as specified, by a licensed retailer or microbusiness in the area where the consumption of cannabis is allowed. The bill would authorize a local jurisdiction to allow for the sale of prepackaged, noncannabis-infused, nonalcoholic food and beverages by a licensed retailer.

1st House				2nd House							

Summary: Current law provides that no person shall be liable for any fire suppression or other costs otherwise recoverable for a prescribed burn if specified conditions are met, including, among others, that a burn boss, as certified through a certification program developed by the State Fire Marshal, has reviewed and approved a written prescription for the burn, the burn complies with that written prescription, and either the landowner has provided written permission or the governing body of a Native American tribe has given approval, as provided. Current law exempts cultural burns, as defined, conducted by a cultural fire practitioner, as defined, from those requirements that a person certified as a burn boss review and approve a written prescription and that the burn be conducted in compliance with the written prescription. This bill would revise and recast those provisions by, among other things, expanding the definition of burn boss to also include a person qualified for specified positions through the National Wildfire Coordinating Group, as provided, and limiting the tribal approval condition to the approval of the governing body of a California Native American tribe.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conf.			
								Conc.			

Summary: Current property tax law requires that all property subject to tax be assessed at its full cash value, and includes certain possessory interests among those property interests that are subject to tax. Current property tax law defines a taxable possessory interest to be a use that is independent, durable, and exclusive. Current property tax law specifies that, for purposes of the definition of a taxable possessory interest, a possession or use is not independent if it is pursuant to a contract that includes, but is not limited to, a long-term lease for the private construction, renovation, rehabilitation, replacement, management, or maintenance of housing for active duty military personnel and their dependents, if specified criteria are met. This bill would provide that there is no independent possession or use of land or improvements if the possession or use is for a tenancy, as defined, in a residential unit, as defined, in a publicly owned housing project, as defined, is part of a governmental assistance program, and directly fulfills the governmental, public purpose of providing the housing, as described in the governmental assistance program.

Summary: Current law establishes the Infill Infrastructure Grant Program of 2019, which requires the department, upon appropriation of funds by the Legislature, to establish and administer a grant program to allocate those funds to eligible applicants, as defined, to fund capital improvement projects that are an integral part of, or necessary to facilitate the development of, a qualifying infill project, qualifying infill area, or catalytic qualifying infill area pursuant to specified requirements. Current law requires the department, in its review and ranking of applications for the award of capital improvement project grants, to rank affected qualifying infill areas based on specified priorities. This bill, with respect to the Infill Infrastructure Grant Program of 2019, would specify that only the qualifying infill area portion of that program must be awarded additional points or preference. This bill would add the qualifying infill area and catalytic qualifying infill area portions of the Infill Infrastructure Grant Program of 2019 as one of the specified state programs for which additional points or preference is awarded. This bill would also make technical changes to the provisions of the programs.

SB 355 (Eggman D) Multifamily Affordable Housing Solar Roofs Program.

Current Text: Enrolled: 9/14/2023 [html](#) [pdf](#)

Last Amend: 9/8/2023

Status: 9/12/2023-Assembly amendments concurred in. (Ayes 31. Noes 8.) Ordered to engrossing and enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law vests the Public Utilities Commission with regulatory authority over public utilities, including electrical corporations. Existing law establishes the Multifamily Affordable Housing Solar Roofs Program. Existing law requires the commission, beginning with the 2016–17 fiscal year and ending with the 2019–20 fiscal year, to authorize the annual allocation of certain amounts of moneys for the program. Existing law requires the commission to continue authorizing the allocation of those moneys through June 30, 2026, if the commission determines that revenues are available and that there is adequate interest and participation in the program. Existing law requires the commission, as part of the program, to award monetary incentives for qualifying solar energy systems, as defined, that are installed on multifamily residential buildings of at least 5 rental housing units that are operated to provide deed-restricted low-income residential housing, as defined, and that meet one or more specified requirements, including that at least 80% of the households have incomes at or below 60% of the area median income, through December 31, 2030. This bill would expand those specified requirements to, among other things, include properties in which at least 66% of the households have

incomes at or below 80% of the area median income, properties owned by a tribe, as defined, and rental housing properties owned by public housing agencies or authorities, as defined. The bill would extend the requirement that the commission award monetary incentives for those solar energy systems through December 31, 2032. If those multifamily residential properties are new construction, the bill would prohibit using moneys authorized through the program to meet specified regulatory requirements. The bill would authorize the commission to consider authorizing an advance payment loan to an eligible project if there is reasonable evidence to suggest that an advance payment loan would lead to the delivery of a project that would not occur absent the advance payment loan, as specified. This bill contains other related provisions and other existing laws.

(Archuleta D) Housing: Code Enforcement Incentive Program: Community Code Enforcement Pilot Program.

Current Text: Amended: 4/24/2023 [html](#) [pdf](#)

Last Amend: 4/24/2023

Status: 5/19/2023-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/1/2023)(May be acted upon Jan 2024)

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law establishes the Code Enforcement Incentive Program pursuant to which the Department of Housing and Community Development, upon appropriation by the Legislature, makes funds available as matching grants to cities, counties, and cities and counties that operate local building enforcement programs for more than 3 years, as specified. Current law requires the recipient city, county, or city and county to provide a cash or in-kind local match of at least 25% in the first year, 50% in the 2nd year, and 75% in the 3rd year, and limits the maximum grant to a single recipient under the program to \$1,000,000. Current law requires grant recipients to submit a report to the department on the expanded code enforcement efforts, among other things. Current law requires the department to summarize the reports and transmit the reports to the Legislature within 6 months after the grant recipient's submission date. Current law requires the department to award grants under the program on a competitive basis, based on criteria weighted for specified applicants, including local government applicants that propose to identify and prosecute owners with habitual, repeated, and multiple code violations that have remained unabated beyond the period required for abatement. This bill would revise the cash or in-kind local match requirement, described above, to instead require a recipient city, county, or city and county to match at least 35% of the funds awarded over 3 years. The bill would increase the maximum grant to a single recipient under the program from \$1,000,000 to \$2,000,000, and require the department to adjust that amount for inflation at least once every 5 years.

(Caballero D) The California Water Plan: long-term supply targets.

Current Text: Amended: 6/29/2023 [html](#) [pdf](#)

Last Amend: 6/29/2023

Status: 7/14/2023-Failed Deadline pursuant to Rule 61(a)(10). (Last location was W.,P. & W. on 6/8/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law requires the Department of Water Resources to update every 5 years the plan for the orderly and coordinated control, protection, conservation, development, and use of the water resources of the state, which is known as "The California Water Plan." Current law requires the department to include a discussion of various strategies in the plan update, including, but not limited to, strategies relating to the development of new water storage facilities, water conservation, water recycling, desalination, conjunctive use, water transfers, and alternative pricing policies that may be pursued in order to meet the future needs of the state. Current law requires the department to establish an advisory committee to assist the department in updating the plan. This bill would revise and recast certain provisions regarding The California Water Plan to, among other things, require the department to instead establish a stakeholder advisory committee and to expand the membership of the committee to include tribes, labor, and environmental justice interests. The bill would require the department to coordinate with the California Water Commission, the State Water Resources Control Board, other state and federal agencies as appropriate, and the stakeholder advisory committee to develop a comprehensive plan for addressing the state's water needs and meeting specified long-term water supply targets established by the bill for purposes of The California Water Plan. The bill would require the plan to provide recommendations and strategies to ensure enough water supply for all beneficial uses.

(Glazer D) California Environmental Quality Act: judicial challenge: identification of contributors: housing development projects.

Current Text: Amended: 6/19/2023 [html](#) [pdf](#)

Last Amend: 6/19/2023

Status: 7/14/2023-Failed Deadline pursuant to Rule 61(a)(10). (Last location was NAT. RES. on 5/26/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The California Environmental Quality Act requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment, or to adopt a negative declaration if it finds that the project will not have that effect. The act authorizes specified entities to file and maintain with a court an action or proceeding to attack, review, set aside, void, or annul an act of a public agency on grounds of noncompliance with the requirements of the act. This bill would authorize a defendant, in an action brought pursuant to the act relating to a housing development project, to file a motion requesting the plaintiff or petitioner to identify every person or entity that contributes in excess of \$10,000, as specified, toward the plaintiff's or petitioner's costs of the action. The bill would authorize the motion to be heard on shortened time at the court's discretion. The bill would authorize a plaintiff or petitioner to request the court's permission to withhold the public disclosure of a person or entity who made a monetary contribution. The bill also would require the plaintiff or petitioner to use reasonable efforts to identify the actual persons or entities that are the true source of the contributions, to include the exact total amount contributed, and to identify any pecuniary or business interest related to the housing development project of any person or entity that contributes in excess of \$10,000 to the costs of the action, as specified.

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Planning and Zoning Law requires each county and each city to adopt a comprehensive, long-term general plan for the physical development of the county or city, and specified land outside its boundaries, that includes specified mandatory elements, including a housing element. Current law also establishes a planning agency in each city and each county with the powers necessary to carry out the Planning and Zoning Law. Current law requires the housing element to include, among other things, an inventory of land suitable and available for residential development. For a housing element or amendment adopted on or after January 1, 2021, existing law requires the planning agency to submit to the Department of Housing and Community Development an electronic copy of its inventory, as specified. Existing law requires a county or city to submit each revision or amendment of its housing element to the department promptly following adoption of the revision or amendment and requires the department, within 90 days, to review the adopted housing element or amendment and report its findings to the planning agency. This bill would expand the requirement to submit an electronic copy of the above-described inventory to the department to additionally require the planning agency to submit a housing element or amendment prepared on or after January 1, 2021.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires the State Energy Resources Conservation and Development Commission (Energy Commission), in collaboration with the State Air Resources Board, the Public Utilities Commission (PUC), and other relevant stakeholders, to annually gather from state agencies, as provided, specified entities' fleet data for on-road and off-road vehicles in the medium- and heavy-duty sectors and share that data with electrical corporations to help inform electrical grid planning efforts, as specified. Current law requires electrical corporations, as part of their distribution planning processes, to consider that produced fleet data, and other available data, to facilitate the readiness of their distribution systems to support the state's anticipated level of electric vehicle charging, as specified. This bill, the Powering Up Californians Act, would require the PUC to establish, on or before September 30, 2024, reasonable average and maximum target energization time periods, as defined, and a procedure for customers to report energization delays to the PUC, as provided. The bill would require the PUC to require the electrical corporation to take remedial actions necessary to achieve the PUC's targets and would require all reports to be publicly available, among other reporting requirements.

1st House				2nd House							

Summary: Current law vests the Public Utilities Commission (PUC) with regulatory authority over public utilities, including electrical corporations, while local publicly owned electric utilities are under the direction of their governing boards. Existing law, implemented by the PUC through a general order, generally prohibits an electrical corporation from beginning the construction of a line, plant, or system, or of any extension thereof, without having first obtained from the commission a certificate that the present or future public convenience and necessity require or will require its construction, as specified. However, current law exempts the extension, expansion, upgrade, or other modification of an existing electrical transmission facility, including transmission lines and substations, from that certification requirement. This bill would additionally exempt the rebuilding of an existing electrical transmission facility from that requirement, and would provide that the construction of a new electrical transmission facility, or the extension, expansion, upgrade, rebuilding, or other modification of an electrical transmission facility, including lines and substations, by an electrical corporation serving 10,000 or more retail customers does not require that certification, a permit to construct, or any other discretionary permit from the commission, if the new or modified electrical transmission facility meets certain requirements.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Would authorize the Department of General Services to act in the place of a locality or local government, at the discretion of that department, for purposes of the ministerial, streamlined review for development in compliance with the specified-described requirements on property owned by or leased to the state. The bill would extend the operation of the streamlined, ministerial approval process to January 1, 2036. The bill would provide that the streamlined, ministerial approval process does not apply to applications for developments proposed on qualified sites, defined as a site that is located within an equine or equestrian district and meets certain other requirements, that are submitted on or after January 1, 2024, but before July 1, 2025. This bill would modify the specified-described objective planning standards, including by revising the standard that prohibits a multifamily housing development from being subject to the streamlined, ministerial approval process if the

development is located in a coastal zone to apply only if the development located in the coastal zone meets any one of specified conditions. The bill would require that a development located in a coastal zone that satisfies the specified conditions obtain a coastal development permit. The bill would require a local government to approve a coastal development permit if it determines that the development is consistent with all objective standards of the local government's certified local coastal program, as specified. The bill would provide that the changes made by this act would apply in a coastal zone on or after January 1, 2025. This bill would modify the objective planning standard that prohibits a development subject to the streamlined, ministerial approval process from being located in a high fire severity zone by deleting the prohibition for a development to be located within a high or very high fire hazard severity zone as indicated on maps adopted by the Department of Forestry and Fire Protection, and would instead prohibit a development from being located within the state responsibility area, as defined, unless the site has adopted specified standards. The bill would also remove an exception for sites excluded from specified hazard zones by a local agency, as specified.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law permits any party to file a notice of motion and motion to strike the whole or any part of a pleading. Under current law, a party may file with the trial court a special motion to strike a cause of action against a person arising from any act of that person in furtherance of the person's right of petition or free speech under the United States Constitution or the California Constitution in connection with a public issue. This bill would permit a party to file with the trial court a special motion to strike the whole or any part of a pleading in all civil actions brought by any plaintiff to challenge the approval or permitting of a priority housing development project, as defined. The bill would require the trial court to deny the motion to strike if it determines that the plaintiff has established that there is a probability that the plaintiff will prevail on the claim. The bill would entitle a prevailing defendant on a special motion to strike to recover their attorney's fees and costs, except as specified. Except as specified, the bill would require the filing of a special motion to strike within 60 days of the service of the complaint, or in the court's discretion, at any later time the court deems proper. The bill would provide that if the court determines the administrative record is required for its decision, the moving party may, notwithstanding the filing deadlines above, file the special motion to strike within 60 days of the service of the administrative record or, in the court's discretion, at any later time the court deems proper.

Last Amend: 9/1/2023

Status: 9/14/2023-Ordered to inactive file on request of Assembly Member Bryan.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law requires a proposed housing development containing no more than 2 residential units within a single-family residential zone to be considered ministerially, without discretionary review or hearing, if the proposed housing development meets certain requirements, including that the proposed housing development does not allow for the demolition of more than 25% of the existing exterior structural walls, except as provided. Current law authorizes a local agency to impose objective zoning standards, objective subdivision standards, and objective design standards, as defined, except as specified, on the proposed housing development. Current law authorizes a local agency to deny a proposed housing development if specified conditions are met, including that the building official makes a written finding that the proposed housing development project would have a specific, adverse impact upon public health and safety or the physical environment, as provided. This bill would remove the requirement that a proposed housing development does not allow for the demolition of more than 25% of the existing exterior structural walls to be considered ministerially. The bill would prohibit a local agency from imposing objective zoning standards, objective subdivision standards, and objective design standards that do not apply uniformly to development within the underlying zone, but would specify that these provisions do not prohibit a local agency from adopting or imposing objective zoning standards, objective subdivision standards, and objective design standards on the development if the standards are more permissive than applicable standards within the underlying zone. The bill would remove the authorization for a local agency to deny a proposed housing development if the building official makes a written finding that the proposed housing development project would have a specific, adverse impact upon the physical environment. The bill would require the local agency to consider and approve or deny the proposed housing development application within 60 days from the date the local agency receives the completed application, and would deem the application approved after that time.

(Menjivar D) Multifamily Housing Program: nonprofit corporations: homeless or at-risk youth.

Current Text: Amended: 6/30/2023 [html](#) [pdf](#)

Last Amend: 6/30/2023

Status: 9/1/2023-Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/16/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	Floor	Desk	Policy	2 year	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law establishes the Multifamily Housing Program administered by the Department of Housing and Community Development. Current law requires assistance for projects under the program to be provided in the form of deferred payment loans to pay for eligible costs of specified types of development, as provided. Current law requires that specified funds appropriated to provide housing for individuals and families who are experiencing homelessness or who are at risk of homelessness and who are inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic or other communicable diseases be disbursed in accordance with the Multifamily Housing Program for specified uses. Current law exempts these specified funds from the deferred payment loan requirement, as specified. Current law also requires at least 8 percent of these specified funds to be available for projects serving homeless youth, or youth at risk of homelessness, as defined. This bill would, instead, require that at least 8 percent of the specified funds be available for units, rather than projects, serving homeless youth, or youth at risk of homelessness. The bill would also require that at least one-half of these funds be prioritized for units to house current foster youth between 18 to 21 years of age, inclusive. The bill would prohibit units that house current or former foster youth between 18 to 21 years of age, inclusive, from requiring a referral through the coordinated entry system for a person under juvenile court jurisdiction, as specified.

(Wahab D) Costa-Hawkins Rental Housing Act: rental rates.

Current Text: Amended: 5/15/2023 [html](#) [pdf](#)

Last Amend: 5/15/2023

Status: 6/2/2023-Failed Deadline pursuant to Rule 61(a)(8). (Last location was INACTIVE FILE on 5/31/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	2 year	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Costa-Hawkins Rental Housing Act prescribes statewide limits on the application of

local rent control with regard to certain properties. The act generally authorizes an owner of residential real property to establish the initial rental rate for a dwelling or unit, except in specified circumstances, including, (1) when the residential real property has a certificate of occupancy issued after February 1, 1995, (2) when the residential real property has already been exempt from the residential rent control ordinance of a public entity on or before February 1, 1995, pursuant to a local exemption for newly constructed units, and (3) when the residential real property is alienable and separate from title to any other dwelling units, except as specified. This bill would instead authorize an owner of residential real property to establish the initial rental rate for a dwelling or unit when the residential real property has been issued a certificate of occupancy within the 28 years preceding the date on which the owner seeks to establish a rental rate under these provisions, except as specified for dwellings or units exempt from the residential rent control ordinance of a public entity on or before February 1, 1995, pursuant to a local exemption for newly constructed units.

(Seyarto R) Trespass.

Current Text: Introduced: 2/13/2023 [html](#) [pdf](#)

Status: 5/5/2023-Failed Deadline pursuant to Rule 61(a)(3). (Last location was PUB. S. on 2/17/2023) (May be acted upon Jan 2024)

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law makes it a misdemeanor to commit the crime of trespass, which includes refusing or failing to leave land, real property, or structures belonging to, or lawfully occupied by, another and not open to the general public upon being requested to leave by a peace officer at the request of the owner, the owner's agent, or the person in lawful possession and upon being informed by the peace officer that they are acting at the request of the owner, the owner's agent, or the person in lawful possession. Current law requires the owner, the owner's agent, or the person in lawful possession to make a separate request to the peace officer on each occasion when the peace officer's assistance in dealing with a trespass is requested, except that a single request for peace officer assistance may be made for a period not to exceed 12 months when the premises or property is closed to the public and posted as being closed. Current law requires the requester to inform the law enforcement agency to which the request was made when the assistance is no longer desired before the 12-month period expires. Current law also authorizes a single request for a peace officer's assistance to be made for a period of time not to exceed 30 days and identified by specific dates when there is a fire hazard or the owner, the owner's agent, or the person in lawful possession is absent from the property. Under current law, a request for assistance expires when ownership of the property changes or upon a change in the person in lawful possession. This bill would authorize a single request for assistance to be made and submitted electronically, in a notarized writing on a form provided by the law enforcement agency, to a peace officer for a period of not more than 3 years when the premises or property is closed to the public and posted as being closed and would require the notice ending assistance before the 3 years has passed to be in writing.

(Allen D) Housing: publicly funded low-rent housing projects.

Current Text: Chaptered: 9/8/2023 [html](#) [pdf](#)

Last Amend: 6/13/2023

Status: 9/8/2023-Approved by the Governor. Chaptered by Secretary of State. Chapter 179, Statutes of 2023.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Constitution prohibits the development, construction, or acquisition in any manner of a low-rent housing project by any state public body, as defined, until a majority of the qualified electors of the city, town, or county in which it is proposed to develop, construct, or acquire the same, voting upon that issue, approve the project by voting in favor at an election. The California Constitution, for purposes of this prohibition, defines "low-rent housing project" to mean any development composed of urban or rural dwellings, apartments, or other living accommodations for persons of low income, financed in whole or in part by the federal government or a state public body, or to which the federal government or a state public body extends assistance by supplying all or part of the labor, by guaranteeing the payment of liens, or otherwise. Current law establishes exclusions from this definition of "low-rent housing project," including a development that consists of the acquisition, rehabilitation, reconstruction, alterations work, or any combination thereof, of lodging facilities or dwelling units using moneys appropriated and disbursed pursuant to specified provisions of the Zenovich-Moscone-Chacon Housing and Home Finance Act relating to affordable housing preservation, rental housing development awarded funds from certain multifamily housing direct loan programs, and housing for individuals and families who are experiencing homelessness or who are at risk of homelessness and who are impacted by the COVID-19 pandemic or other communicable

diseases. This bill would expand that exclusion to include a development that consists of the acquisition, rehabilitation, reconstruction, alterations work, or any combination thereof, of lodging facilities or dwelling units using an allocation of federal or state low-income housing tax credits from the California Tax Credit Allocation Committee or moneys appropriated and disbursed pursuant to the Zenovich-Moscone-Chacon Housing and Home Finance Act, and the Affordable Housing and Sustainable Communities Program, thereby excluding the developments that receive money from the specified funds and programs from the scope of the above-described constitutional provision.

SB 493**(Min D) Air pollution: alternative vehicles and electric and hydrogen infrastructure.****Current Text:** Enrolled: 9/14/2023 [html](#) [pdf](#)**Last Amend:** 6/19/2023**Status:** 9/12/2023-Assembly amendments concurred in. (Ayes 39. Noes 0.) Ordered to engrossing and enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires the State Energy Resources Conservation and Development Commission (Energy Commission), in consultation with the State Air Resources Board (state board) and the Public Utilities Commission (PUC), to prepare a statewide assessment of fuel cell electric vehicle fueling infrastructure and fuel production needed to support the adoption of zero-emission trucks, buses, and off-road vehicles at levels necessary for the state to meet the goals and requirements of Executive Order No. N-79-20 and any state board regulatory action that requires or allows zero-emission vehicles in the heavy-duty vehicle and off-road sectors. Current law also requires the Energy Commission, working with the state board and the PUC, to prepare a statewide assessment of the electric vehicle charging infrastructure needed to support the levels of electric vehicle adoption required for the state to meet its goals of putting at least 5,000,000 zero-emission vehicles on California roads by 2030, and of reducing emissions of greenhouse gases to 40% below 1990 levels by 2030. This bill would require the assessment of the fuel cell electric vehicle fueling infrastructure and fuel production to additionally include an assessment of storage and transport facilities, and the assessment of the electric vehicle charging infrastructure to additionally include electric system infrastructure and electric generation. The bill would expand the scope of the latter assessment to include the electric vehicle charging infrastructure, electric system infrastructure, and electric generation needed for the state to meet the goals of Executive Order No. N-79-20 and any state board regulatory action that requires or allows zero-emission vehicles in the heavy-duty vehicle and off-road sectors. The bill would require both assessments to identify any barriers to the deployment of hydrogen infrastructure and any barriers to the deployment of electric infrastructure, respectively, for medium- and heavy-duty fleets and recommendations for addressing those barriers. The bill would require the Energy Commission to publish a determination regarding the adequacy of completed or planned charging or fueling sites for the 5 years following the completion of the initial statewide assessment and the findings of the electric vehicle charging infrastructure assessment, as provided.

1st House				2nd House							

Summary: Current law requires the Director of Forestry and Fire Protection to establish a common reporting platform that allows defensible space and home hardening assessment data, collected by the qualified entities, to be reported to the department. Current law requires the department to establish a local assistance grant program for fire prevention and home hardening education activities and provides that local agencies, among others, are eligible for these grants. Current law requires the State Fire Marshal to identify areas of the state as moderate, high, and very high fire hazard severity zones based on specified criteria. Current law requires a local agency to designate, by ordinance, moderate, high, and very high fire hazard severity zones in its jurisdiction within 120 days of receiving recommendations from the State Fire Marshal, and authorizes a local agency, at its discretion, to include areas within the jurisdiction of the local agency, not identified as moderate, high, and very high fire hazard severity zones by the State Fire Marshal, as moderate, high, and very high fire hazard severity zones, respectively. This bill would require the department, when reviewing applications for the local assistance grant program, to give priority to any local governmental entity that is qualified to perform defensible space assessments in very high and high fire hazard severity zones who reports that information using the common reporting platform, as provided.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law, until January 1, 2024, authorizes the legislative body of a local agency to use alternate teleconferencing provisions during a proclaimed state of emergency or in other situations related to public health that exempt a legislative body from the general requirements (emergency provisions) and impose different requirements for notice, agenda, and public participation, as prescribed. The emergency provisions specify that they do not require a legislative body to provide a physical location from which the public may attend or comment. Current law, until January 1, 2026, authorizes the legislative body of a local agency to use alternative teleconferencing in certain circumstances related to the particular member if at least a quorum of its members participate from a singular physical location that is open to the public and situated within the agency's jurisdiction and other requirements are met, including restrictions on remote participation by a member of the legislative body. These circumstances include if a member shows "just cause," including for a childcare or caregiving need of a relative that requires the member to participate remotely. This bill would expand the circumstances of "just cause" to apply to the situation in which an immunocompromised child, parent, grandparent, or other specified relative requires the member to participate remotely. The bill would authorize the legislative body of a multijurisdictional, cross-county agency, as specified, to use alternate teleconferencing provisions if the eligible legislative body has adopted an authorizing resolution, as specified. The bill would also require the legislative body to provide a record of attendance of the members of the legislative body, the number of community members in attendance in the teleconference meeting, and the number of public comments on its internet website within 10 days after a teleconference meeting, as specified. The bill would require at least a quorum of members

of the legislative body to participate from one or more physical locations that are open to the public and within the boundaries of the territory over which the local agency exercises jurisdiction.

1st House				2nd House							

Summary: Existing law, the Bagley-Keene Open Meeting Act, requires, with specified exceptions, that all meetings of a state body be open and public and all persons be permitted to attend any meeting of a state body. The act authorizes meetings through teleconference subject to specified requirements, including, among others, that the state body post agendas at all teleconference locations, that each teleconference location be identified in the notice and agenda of the meeting or proceeding, that each teleconference location be accessible to the public, that the agenda provide an opportunity for members of the public to address the state body directly at each teleconference location, and that at least one member of the state body be physically present at the location specified in the notice of the meeting. This bill would enact an additional, alternative set of provisions under which a state body may hold a meeting by teleconference. The bill would require at least one member of the state body to be physically present at each teleconference location, defined for these purposes as a physical location that is accessible to the public and from which members of the public may participate in the meeting. The bill would, under specified circumstances, authorize a member of the state body to participate from a remote location, which would not be required to be accessible to the public and which the bill would prohibit the notice and agenda from disclosing. Specifically, the bill would authorize a member's remote participation if the other members who are physically present at the same teleconference location constitute a majority of the state body. The bill would also authorize a member's remote participation if the member has a need related to a disability and notifies the state body, as specified. Under the bill, that member would be counted toward the majority of members required to be physically present at the same teleconference location. The bill would require a member who participates from a remote location to disclose whether any other individuals 18 years of age or older are present in the room at the remote location with the member and the general nature of the member's relationship with those individuals. This bill contains other related provisions and other existing laws.

1st House				2nd House							

Summary: Current law, after a tenant has continuously and lawfully occupied a residential real property for 12 months, prohibits the owner of the residential real property from terminating the tenancy without just cause and requires that just cause to be stated in the written notice to terminate tenancy. Current law distinguishes between at-fault just cause and no-fault just cause and defines no-fault just cause to mean intent to occupy the residential real property by the owner or the owner's spouse, domestic partner, children, grandchildren, parents, or grandparents, withdrawal of the residential real property from the rental market, the owner complying with specified government orders that necessitate vacating the real property, and intent to demolish or to substantially remodel the residential real property. This bill would, with respect to the no-fault just cause related to an eviction based on an intent to occupy the residential real property, require, among other things, that the owner, as defined, or the owner's spouse, domestic partner, children, grandchildren, parents, or grandparents occupy the residential real property for a minimum of 12 continuous months as the person's primary residence, as provided.

1st House				2nd House							

Summary: Would require a proponent of a new development that would require the evacuation of 40 or more vehicles at any given time that is located within a state responsibility area or local responsibility area and within a high or very high fire hazard severity zone to include an evacuation plan with its application submitted to the local government for the development. The bill would subject the evacuation plan to the independent approval of the local government, as defined, the respective law enforcement and fire agencies that have jurisdictional response authority over the relevant area, and the California Highway Patrol if the proposed evacuation routing utilizes state or federal highways. The bill would require the evacuation plan to consist of specified information, including a wildfire behavior study, a traffic engineering study, and the best available routes for evacuation egress by populations within the development when threatened by wildfire. By imposing new duties on local governments in reviewing and approving developments in high and very high fire hazard severity zones, the bill would impose a state-mandated local program.

(Allen D) Property taxation: welfare exemption: lower income households: cap.

Current Text: Amended: 6/30/2023 [html](#) [pdf](#)

Last Amend: 6/30/2023

Status: 7/10/2023-July 10 set for first hearing canceled at the request of author.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Constitution authorizes the Legislature to exempt from taxation, in whole or in part, property that is used exclusively for religious, hospital, or charitable purposes, and is owned or held in trust by a nonprofit entity. Pursuant to this constitutional authority, existing law partially exempts, as described, from property taxation property that is used exclusively for rental housing and related facilities and that is owned and operated by specified entities if any of specified criteria are met. Under existing law, one of those criteria requires, except in the case of a limited partnership in which the managing general partner is a nonprofit corporation eligible for the exemption, that 90% or more of the occupants of the property be lower income households whose rents do not exceed the rent limits prescribed by a specified law. Existing law limits the total exemption amount allowed to a taxpayer under that criteria, with respect to a single property or multiple properties for any fiscal year on the sole basis of the application of that criterion, to \$20,000,000 of assessed value. This bill would remove, for the 2024–25 fiscal year through the 2028–29 fiscal year, the above-described limit on the total exemption amount for any property for which a claim is filed and granted if, in addition to the above-described requirement, at least 90% of the property's units are made continuously available to, as defined, or are occupied by lower income households, as defined, at a rent that does not exceed

the rent for lower income households, as prescribed by specified law, the property is owned and operated by an eligible nonprofit corporation, and the claimant provides an affidavit, signed under penalty of perjury, that any additional moneys that would have been used to pay any ad valorem property taxes on the property if not for the removal of the exemption cap will be used for the construction or rehabilitation of single or multifamily residential units on specified properties.

Last Amend: 6/19/2023

Status: 7/14/2023-Failed Deadline pursuant to Rule 61(a)(10). (Last location was NAT. RES. on 6/22/2023)(May be acted upon Jan 2024)

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law requires a local agency to designate, by ordinance transmitted to the State Board of Forestry and Fire Protection, moderate, high, and very high fire hazard severity zones in its jurisdiction within 120 days of receiving recommendations from the State Fire Marshal. Current law authorizes a local agency, at its discretion, to include areas within the jurisdiction of the local agency, not identified as very high fire hazard severity zones by the State Fire Marshal, as very high fire hazard severity zones following a finding supported by substantial evidence, as provided. Current law authorizes a local agency, at its discretion, to include areas within the jurisdiction of the local agency, not identified as moderate and high fire hazard severity zones by the State Fire Marshal, as moderate and high fire hazard severity zones, respectively. Current law prohibits a local agency from decreasing the level of fire hazard severity zone as identified by the State Fire Marshal for any area within the jurisdiction of the local agency. This bill would require a local agency to make a finding of necessity supported by substantial evidence in the record when including, as a moderate or high fire hazard severity zone, a zone not so identified by the State Fire Marshal. The bill would eliminate the prohibition on local agencies decreasing the level of fire hazard severity zone as identified by the State Fire Marshal and would authorize a local agency, at its discretion, to exclude areas within the jurisdiction of the local agency, identified by the State Fire Marshal as moderate, high, and very high fire hazard severity zones, from designation as moderate, high, and very high fire hazard severity zones, respectively, following a finding supported by substantial evidence in the record of the necessity of the exclusion.

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law provides that the California Environmental Quality Act (CEQA) does not apply to an action taken by a public agency to lease, convey, or encumber land owned by a public entity or to facilitate the lease, conveyance, or encumbrance of land owned by a public agency, or to provide financial assistance to, or otherwise approve, a Low Barrier Navigation Center constructed or allowed by existing law. CEQA does not apply to the ministerial approval of projects. Current law prescribes requirements for notifying a developer that its application for a Low Barrier Navigation Center development is complete and for the local jurisdiction to complete its review of the application. Current law declares that Low Barrier Navigation Center developments are essential tools for alleviating the homelessness crisis in this state and are a matter of statewide concern and thus applicable to charter cities. Current law repeals these provisions as of January 1, 2027. This bill would additionally require an opportunity housing project, as defined, to be a use by right if the project has a housing transition plan for a situation when the parcel on which the project is located is no longer suitable for opportunity housing projects, as specified. The bill would also expand use by right to include sites used pursuant to Executive Order No. N-23-20 and areas zoned for medical use or faith-based use. The bill would provide that these provisions do not apply to an opportunity housing project located on a site in a nonresidential zone unless the site is located near amenities and services that serve people experiencing homelessness, as specified. The bill, by authorizing additional developments to be a use by right under certain circumstances, would expand the exemption for the ministerial approval of projects under CEQA.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The California Endangered Species Act requires the Department of Fish and Wildlife to adopt regulations for issuance of incidental take permits. Existing law prohibits the department from issuing an incidental take permit if issuance of the permit would jeopardize the continued existence of the species. Existing law requires the department to make this determination based on the best scientific and other information that is reasonably available, and to include consideration of the species' capability to survive and reproduce, and any adverse impacts of the taking on those abilities in light of (1) known population trends; (2) known threats to the species; and (3) reasonably foreseeable impacts on the species from other related projects and activities. This bill would require the department to make that decision based on a real-time monitoring system, rather than a calendar-based schedule, and to additionally consider the proximity of the species relative to the operation of a facility subject to the permit conditions and the known location of the population relative to the facility subject to the permit.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Subdivision Map Act vests the authority to regulate and control the design and improvement of subdivisions in the legislative body of a local agency and sets forth procedures governing the local agency's processing, approval, conditional approval or disapproval, and filing of tentative, final, and parcel maps, and the modification thereof. The Planning and Zoning Law contains various provisions requiring a local government that receives an application for certain types of qualified housing developments to review the application under a streamlined, ministerial approval process depending on the type of housing development, as specified. Current law, known as the Starter Home Revitalization Act of 2021, requires a city or county to approve an application for a small home lot housing development project, as defined, on a proposed site to be subdivided unless the city or county makes a finding related to the development's compliance with certain requirements or the development's specific, adverse public health or safety impact. This bill would require a local agency to ministerially consider, without discretionary review or a hearing, a parcel map or a tentative and final map for a housing development project that meets specified requirements. In this regard, the bill would require the proposed subdivision to result in 10 or fewer parcels and the housing development project to, among other things, consist of 10 or fewer residential units, meet certain minimum parcel size and density requirements, and be located on a lot zoned for multifamily residential development that is no larger than 5 acres and is substantially surrounded by qualified urban uses. The bill would exempt the housing development project from certain requirements relating to minimum parcel size and dimensions and the formation of a homeowners' association, except as specified.

SB 689 (Blakespear D) **Local coastal program: conformity determination.**

Current Text: Amended: 3/20/2023 [html](#) [pdf](#)

Last Amend: 3/20/2023

Status: 4/28/2023-Failed Deadline pursuant to Rule 61(a)(2). (Last location was TRANS. on 3/29/2023) (May be acted upon Jan 2024)

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires the Department of Transportation, in cooperation with county and city governments, to establish minimum safety design criteria for the planning and construction of bikeways. Current law requires all city, county, regional, and other local agencies responsible for the development or operation of bikeways or roadways where bicycle travel is permitted to utilize the minimum safety design criteria established by the department or alternative criteria that meet specified requirements. Current law authorizes a city or county to prepare a bicycle transportation plan with

specified required elements for these purposes and, subject to approval of the county transportation commission or transportation planning agency, authorizes the city or county to submit the plan to the department with an application for funds for bikeways and related facilities that will implement the plan. This bill would require any project that is contained within, or consistent with, a bicycle transportation plan to be deemed consistent, and in conformity, with any applicable certified local coastal program.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Coastal Act of 1976 requires that coastal-dependent industrial facilities be encouraged to locate or expand within existing sites, and, where new or expanded coastal-dependent industrial facilities cannot feasibly be accommodated consistent with other policies of the act, they may nevertheless be permitted if (1) (A) alternative locations are infeasible or more environmentally damaging, (2) (B) to do otherwise would adversely affect the public welfare, and (3) (C) adverse environmental effects are mitigated to the maximum extent feasible. The act requires that oil and gas development be permitted in accordance with the requirements for coastal-dependent industrial facilities, if specified conditions relating to safety and environmental mitigation are met. This bill would prohibit new or expanded oil and gas development from being considered a coastal-dependent industrial facility, as provided, and would permit those developments only if they are found to be consistent with all applicable provisions of the act. The bill would authorize the repair and maintenance of existing oil and gas facilities to be permitted in accordance with the requirements for coastal-dependent industrial facilities, but would authorize that permitting only if the repair or maintenance does not result in expansion of capacity of the facility.

Status: 9/13/2023-Assembly amendments concurred in. (Ayes 33. Noes 0.) Ordered to engrossing and enrolling.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Density Bonus Law requires a city or county to provide a developer that proposes a housing development within the city or county with a density bonus, waivers or reductions of development standards, parking ratios, and other incentives or concessions, as specified, if the developer agrees to construct certain types of housing. Current law prohibits a city, county, or city and county from applying any development standard that will have the effect of physically precluding the construction of a development meeting specified criteria at the densities or with the concessions or incentives permitted by the Density Bonus Law. Current law defines "development standard" as including a site or construction condition, including, but not limited to, a height limitation, a setback requirement, a floor area ratio, an onsite open-space requirement, a minimum lot area per unit requirement, or a parking ratio that applies to a residential development pursuant to any ordinance, general plan element, specific plan, charter, or other local condition, law, policy, resolution, or regulation. This bill would specify that "development standard" for these purposes includes these standards adopted by the local government or enacted by the local government's electorate exercising its local initiative or referendum power, whether that power is derived from the California Constitution, statute, or the charter or ordinances of the local government. The bill would include findings that changes proposed by this bill address a matter of statewide concern rather than a municipal affair and, therefore, apply to all cities, including charter cities.

Position
WATCH

SB 734 (Rubio D) Property tax: possessory interests.

Current Text: Enrollment: 9/11/2023 [html](#) [pdf](#)

Last Amend: 3/21/2023

Status: 9/11/2023-Enrolled and presented to the Governor at 3 p.m.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law requires that all property subject to tax be assessed at its full value, and includes certain possessory interests among those property interests subject to tax. Current law defines a taxable possessory interest to be a possession of, claim to, or right to the possession of land or improvements that is independent, durable, and exclusive of rights held by others in the property, except as provided. Current law authorizes the state or any local public entity of government, when entering into a written contract with a private party whereby a possessory interest subject to property taxation may be created, to include, or cause to be included, in that contract, a statement that the property interest may be subject to property taxation if created, and that the party in whom the possessory interest is vested may be subject to the payment of property taxes levied on the interest. This bill would provide that, for the purpose of defining "possessory interest," a tenancy in a residential unit of a publicly owned housing project by a low-income household leased at affordable rents does not create independent possession or use of land or improvements by the tenant.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law prescribes requirements for the disposal of surplus land by a local agency. Current law defines terms for these purposes. Existing law defines "surplus land" to generally mean land owned in fee simple by a local agency for which the local agency's governing body takes formal action in a public meeting declaring that the land is surplus and not necessary for the agency's use. Current law defines "agency's use" to include land that is being used, is planned to be used pursuant to a written plan adopted by the local agency's governing board, or is disposed of to support agency

work or operations. Current law excludes from “agency’s use” commercial or industrial uses or activities, or property disposed of for the sole purpose of investment or generation of revenue, unless the local agency is a district, except as specified, and the agency’s governing body takes specified actions in a public meeting. Current law excludes from these requirements the disposal of exempt surplus land by an agency of the state or any local government. Current law requires a local agency to declare land as either surplus land or exempt surplus land, as supported by written findings, before a local agency may take any action to dispose of it. Under existing law, exempt surplus land includes, among other types of land, property that is used by a district for an “agency’s use” as expressly authorized, land for specified developments, including a mixed-use development, if put out to open, competitive bid by a local agency, as specified, and surplus land that is subject to specified valid legal restrictions. This bill would define the term “dispose” for these purposes to mean the sale of the surplus property or a lease of any surplus property entered into on or after January 1, 2024, for a term longer than 15 years, including renewal options, as specified.

Status: 4/28/2023-Failed Deadline pursuant to Rule 61(a)(2). (Last location was E.Q. on 3/29/2023) (May be acted upon Jan 2024)

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The California Environmental Quality Act (CEQA) requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA prohibits a public agency from approving or carrying out a project for which a certified EIR has identified one or more significant effects on the environment that would occur if the project is approved or carried out unless the public agency finds either (1) changes or alterations have been required in, or incorporated into, the project that mitigate or avoid the significant effects on the environment, (2) those changes or alterations are within the jurisdiction of another public agency and have been, or can and should be, adopted by the other agency, or (3) specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures or alternatives identified in the EIR and the public agency finds that those specific considerations outweigh the significant effects on the environment, commonly known as a statement of overriding consideration. This bill would provide that a public agency, in approving or carrying out a housing development project, as defined, a commercial project, or an industrial project, is not required to issue a statement of overriding consideration for significant effects on the environment identified by a project's vehicle miles traveled or similar metrics if the lead agency has imposed all feasible mitigation measures on the project and it finds no feasible alternatives to the project..

1st House				2nd House				Conc.			

Summary: The California Environmental Quality Act requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA establishes a procedure by which a person may seek judicial review of the decision of the lead agency made pursuant to CEQA. This bill would require the Judicial Council to adopt rules of court applicable to actions or proceedings brought to attack, review, set aside, void, or annul the certification or adoption of an environmental impact report for specified water projects, as defined, or the granting of any project approvals, including any

appeals to the court of appeal or the Supreme Court, to be resolved, to the extent feasible, within 270 days of the filing of the certified record of proceedings with the court to an action or proceeding seeking judicial review of the lead agency's action related to those projects. The bill would require the lead agency to prepare the record of proceedings for a project, as provided, and to include a specified notice in the draft EIR and final EIR for the project.

SB 863

(Allen D) Hiring of residential real property.

Current Text: Amended: 3/22/2023 [html](#) [pdf](#)

Last Amend: 3/22/2023

Status: 5/5/2023-Failed Deadline pursuant to Rule 61(a)(3). (Last location was JUD. on 3/29/2023) (May be acted upon Jan 2024)

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Current law requires that before an owner of residential real property issues a notice to terminate for cause that is a curable lease violation, the owner shall first give notice of the violation to the tenant with an opportunity to cure the violation pursuant to specified provisions that authorize the tenant to perform the conditions or covenants of the lease, or to pay the stipulated rent, within 3 days, and thereby save the lease from forfeiture, unless that performance cannot occur, in which case no notice need be given. Current law specifies that if the violation is not cured within the time period set forth in the notice, existing law authorizes a 3-day notice to quit without an opportunity to cure to be served to terminate the tenancy. This bill would remove the requirement that the notice to terminate for cause that is a curable lease violation be given pursuant to those provisions and would instead specify that the time period to cure the violation set forth in the notice shall not be less than 7 days, after which time, if the violation is not cured, a 3-day notice to quit without an opportunity to cure may thereafter be served to terminate the tenancy.

SB 882

(Committee on Governance and Finance) Local Government Omnibus Act of 2023.

Current Text: Chaptered: 9/8/2023 [html](#) [pdf](#)

Last Amend: 7/3/2023

Status: 9/8/2023-Approved by the Governor. Chaptered by Secretary of State. Chapter 187, Statutes of 2023.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law prohibits a person from being eligible for election or appointment to the office of the county treasurer, county tax collector, or county treasurer-tax collector of any county unless that person meets at least one of several criteria, including that the person possess a valid certificate issued by the Treasury Management Association showing the person to be designated as a Certified Cash Manager, with a minimum of 16 college semester units, or their equivalent, in accounting, auditing, or finance. This bill would remove, commencing January 1, 2024, that criterion as an option for eligibility for the above-described offices.

(Seyarto R) Property taxation: principal residence and family home transfers.

Current Text: Amended: 4/19/2023 [html](#) [pdf](#)

Last Amend: 4/19/2023

Status: 5/10/2023-May 10 set for second hearing. Failed passage in committee. (Ayes 3. Noes 4.) Reconsideration granted.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Constitution limits the amount of ad valorem taxes on real property to 1% of the full cash value of that property, defined as the county assessor's valuation of real property as shown on the 1975-76 tax bill and, thereafter, the appraised value of the real property when purchased, newly constructed, or a change in ownership occurs after the 1975 assessment, subject to an annual inflation adjustment not to exceed 2%. This measure would end the operation of the above-described provisions of Proposition 19 on January 1, 2025. The measure would reinstate, on January 1, 2025, the prior rule excluding from classification as a "purchase" or "change in ownership" the purchase or transfer of a principal residence, and the first \$1,000,000 of other real property, in the case of a purchase or transfer between parents and their children, or between grandparents and their grandchildren if all the parents of those grandchildren are deceased.

(Cortese D) Relative to climate restoration.

Current Text: Enrolled: 7/5/2023 [html](#) [pdf](#)

Last Amend: 6/8/2023

Status: 7/3/2023-Read. Adopted. (Ayes 29. Noes 0.) (Enrolled Text Released 7/05/2023)

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Would resolve that the Senate formally recognizes the obligation to future generations to restore a safe climate, and declares climate restoration, along with achieving net-zero and net-negative CO2 emissions, a climate priority. Resolved, that the Senate calls on the State Air Resources Board to engage necessary federal entities as appropriate to urge the United States Ambassador to the United Nations to propose a climate treaty that would restore and stabilize GHG levels as our common climate goal.
